Prospectus

Information about Institute and General Instructions for the candidates

1.0 Introduction:

Indian Institute of Teacher Education is the university established by Govt. of Gujarat by passing an act in Gujarat Legislature Assembly in the year 2010. The university is established with an objective of training prospective teachers professionally and to help them becoming effective and efficient teachers to serve the humanity in general and society in particular.

The following are objectives and vision and mission of the University:

OBJECTIVES

- To evolve and implement a new program of teachers' education that would provide education and training to prospective teachers that aim at development of new integral development of teachers.
- To train prospective teachers based on globally benchmarked curriculum with ideas gleaned from the fusion of the intellectual traditions of India and the West.
- To equip teachers with the competencies requisite for dealing with the 21st century issues of the choices and challenges of students.
- To impart teacher training which enables the prospective teachers to see the obtaining world in the new light of universal human values.
- To promote the indigenous tradition of teacher-student relationship (Guru-Shishya parampara) in various fields of humanities, arts, crafts, sciences, technologies and yoga (psychological and physical education).
- To publish and disseminate results of advanced research parents, social educators and social workers.
- To promote national and international cooperation in teacher education as also in the development of teaching-learning material through online programs, documentaries, musical and dramatic programs and films.
- To undertake, conduct and promote any program that will enhance the highest aims of pedagogy and synthesis of knowledge-systems and internationalism.
- To foster in the University highest purposes of education of the body, life and mind as also of the human spirit in its integrity.
- To introduce and nurture innovations in the education system so as to reflect India's spiritual knowledge, robust intellectuality and inexhaustible creativity.

OUR VISION

To create teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

OUR MISSION

To provide integrated courses in teacher education, marked and defined by value-education, global outlook, and interdisciplinary.
