2. Certificate I	162
3. Certificate II	165
	167

College Collage is an English coursebook for beginner level undergraduate students. It integrates a text reader comprising a varied collection of stories and articles and a language practice book, thereby eliminating the need for a separate workbook. The texts in the reading section have been selected so as to be interesting and simple, yet varied and relevant to suit the educational needs at the undergraduate level. The language practice section has been kept simple to suit the specific needs of students coming from regional medium schools and rural areas with limited prior English language exposure. Both the teachers and the students will surely find the coursebook simple, relevant and engaging.
