The Emblem

॥ न हि ज्ञानेन सदृशं पवित्रमिह विद्यते ॥

The emblem of IITE, is the combination of following:

Rising sun.
An open book.

A teacher writing on a green board. ["Nothing is more sacred than the Education" (knowledge)]

The emblem has an open book from which the sun is rising in the center, which depicts the continuous rise of knowledge and how it brightens the world from all the evils prevailing around. Further, the logo shows a teacher writing on a green-board, which shows the role of teacher in transmission of knowledge to the world and is symbolized as the sun in this human world. The person, who only can lead anyone from the darkness to the brightness of life.

Teachers only can teach the true essence of life with the use of simple tools like board and can bring wonders to this world. The university emblem ultimately symbolizes an endless flow of rising knowledge.

2.From the Vice Chancellor's Desk:

Hon'ble Vice-Chancellor
Dr. Harshad A. Patel

Dear Reader,

I am pleased to present Annual report of Indian Institute of Teacher Education (IITE) FY 22-21. As a sectorial university dedicated to Teacher Education, we are shouldering a responsibility of preparing teachers equipped with teaching skills enriched with Indian values for the future generations.

Today's children are well exposed to the technological tools and mediums that enable them to access information and sources require for the subject education. As a Vice-Chancellor of IITE and being a teacher educator, I firmly believe that now the era of teaching subjects has already passed. Now we are living in the world where, as a teacher educator, we need to help students to show how to learn. We must enable them to think innovatively to find solutions for their new age problems. We need to train them how to apply their learnings to make a better society and a strong self-reliant nation. Most importantly, we need to inculcate the values of integral humanism to realize a teacher, who can be a 'go to' personality for every section of the society to seek guidance for the issues beyond schools and classrooms.

This is the university established by our visionary Prime Minister Shree Narendra Modi with a vision to provide skilful and value rich teachers to the world. IITE is committed to realize the vision and we have taken it is our mission.

There is a verse in Sanskrit language, which talks about the virtues of teacher

विद्वत्त्वं दक्षता शीलं सङ्कान्तिरनुशीलनम् ।

शिक्षकस्य गुणाः सप्त सचेतस्त्वं प्रसन्नता ॥

(Scholar, Expertise, Humility, Generosity, Wise, Contemplative, and Happiness, these seven are the virtue of a Teacher.)

We are sharing glimpses of the academic and co-curricular activities of IITE in this report. IITE is ensuring 360 degrees development of our student, who are being shaped as teachers for tomorrow.

We have completed 12 years of our establishment. During this twelve years of establishment, IITE has laid down a strong foundation of academic and administrative processes by bringing in the best practices and committed talent to achieve the goal of preparing world-class teachers.

My dear friends, you are aware that education is the only faculty that can make or break a nation. It is contributing to the nation building by character building of a human being right from the birth and at IITE, it is an everlasting journey of continuous improvement toward the excellence for us to contribute in the nation building by preparing excellent and committed teachers.

We solicit your support and suggestion to make it better.

3. Introduction and Objective

Indian Institute of Teacher Education (IITE), a State Public University established under the Gujarat Government Act 8/2010, is a university dedicated to Teachers' Education. It is one of its kind university, not only in India but also in South Asian countries. This university was established in an era when the country was in search of an alternative to the current scenario of teacher education. Then Chief Minister of Gujarat, Shri Narendra Modi envisioned the real Scenario of teacher Education globally. Shri Narendra Modi thought of an interdisciplinary institution where School teachers are nurtured for effective and efficient classroom Instruction.

It is believed that sharing is the power that will generate knowledge in the 21st Century. In contemporary times, education would not be just a UG/PG Degree but multi-core development of individuals. Looking at the dire need of society for an all-inclusive setup; hence the idea of innovation, residential, integrated degrees was brought into existence. It is an Indian ethos to sense the best from around the world and to inculcate them in perspective generations without any kind of discrimination.

Vision

'To Nurture teachers of tomorrow with transformative knowledge of Indian Tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.'

8. Centers of IITE:

8.1: Center of Education

The Centre of Education is one of the core Centres of the IITE. The school education fraternity requires professionally trained teachers to excel in the teaching and learning process with utmost effectiveness and viability in terms of ethics and morals as envisaged in respective curricula framed by the state. Teacher education needs to be designed to meet the national requirement looking at excellent growth and perspectives on a global platform. IITE aims to achieve the universal lacuna of effective, efficient and excellent school educators. The courses offered under Center aims to help to prepare students for challenging scenarios of education. The courses give an opportunity for the students to excel in the education field, education research, policy and practice and shape the future to empower a better education environment and the world as a whole.

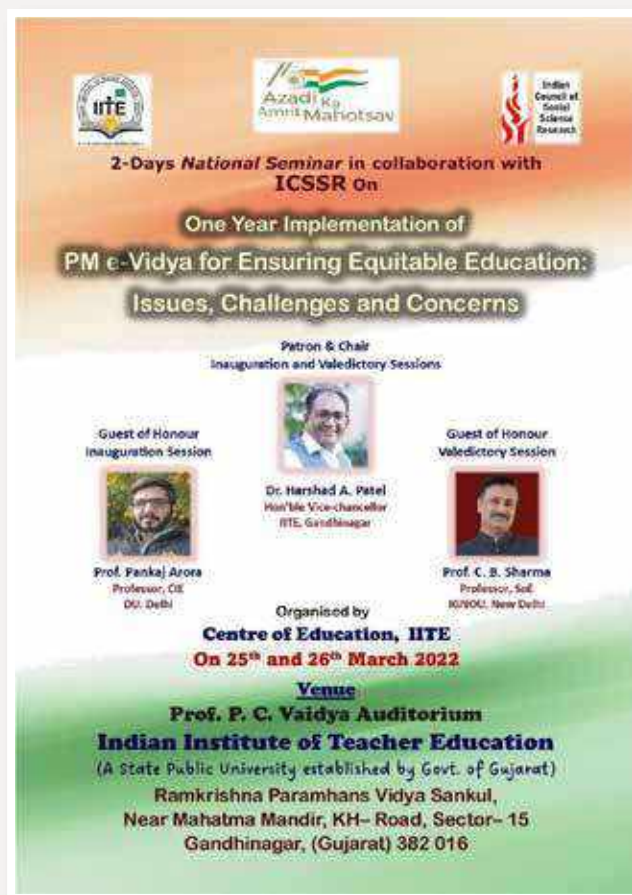

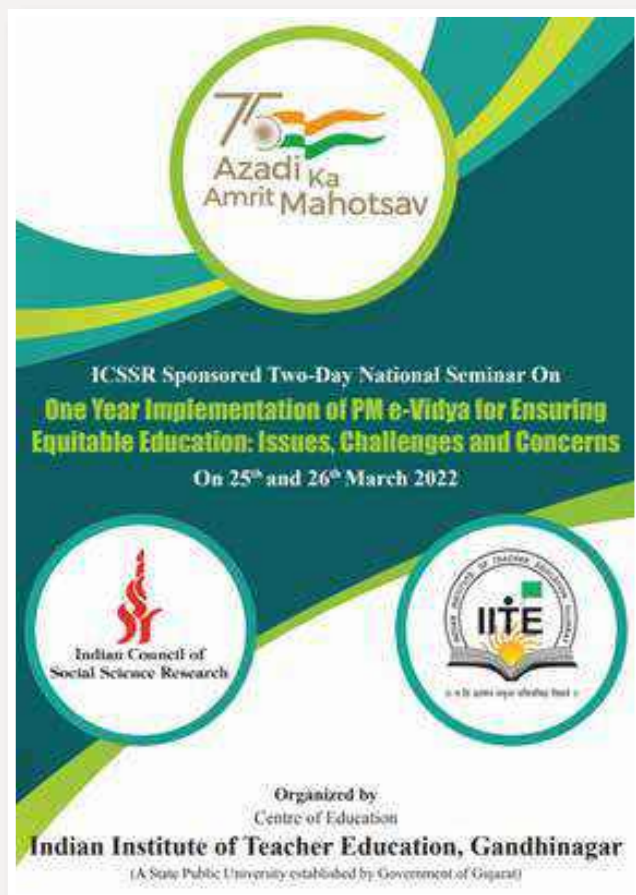

The Academic Programmes offered under Center of Education: B.A.- B.Ed., B.Sc.- B.Ed., M.A- M.Ed., M.Sc.- M.Ed., B.Ed. - M.Ed., M.Ed, Ph.D. in Education.

The Center of Education aims to bridge the void of effective, efficient and reliable educators. Academic Processes like Teaching, Learning, and Evaluation are efficiently followed by the center. Teaching involves various skills like fluency in questioning, set induction, stimulus variation, blackboard teaching, use of various teaching aids, explanations and many more. All the mentioned skills are efficiently practiced in teacher training techniques called School Observation, Micro-Teaching, Simulations, Stray/ Block Lessons and Internships Evaluation, etc. Center has efficiently implemented the process and organized Microteaching, Simulation, B.A. B.Ed. and B.Sc. B.Ed.

Semester-8 Internship, Orientation & Execution of Stray/Block Lessons B.Sc. B.Ed. and B.A. B.Ed. Semester-7, Stray Lesson Executions, Remedial Teaching – Gujarati Department during the year. The Continuous Evaluation was conducted as Continuous Comprehensive Evaluation I, Continuous Comprehensive Evaluation II, Preliminary Examinations, Semester End Oral Examination, Continuous Comprehensive Evaluation Even Semesters, Continuous Comprehensive Evaluation II & Preliminary Examinations and End Term Examination as per the Academic Calendar.

The Center is also following Research, Innovation, and Extension practices for Academic Processes. IITE, rigorously follows the National Education Policy, 2020 which has provided a new perspective to the Indian Education System that provides opportunities to enhance innovative curriculum pedagogy in the field of research in education.

On the completion of one year of National Education Policy 2020, the Center of Education, IITE organized a NEP – Theme based Webinar, A One Day Workshop on Textbook Analysis of English, ICSSR Sponsored a Two-day National Seminar on the National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN BHARAT), ICSSR Sponsored a Two-day National Seminar on National One Year Implementation of PM-E Vidya for Ensuring Equitable Education: Issues, Challenges and Concerns, International Academic Studies Congress (ASC-2022 / SPRING) [Theme: CHANGE & ADAPTATION] on 25th and 26th March 2022

Parent-Teacher meetings are provided with the best platform to discuss the academic growth of students and future development strategies for IITE. Center has conducted PTM for academic programs B.A., B.Ed., B.Sc., B.Ed., M.Sc./ M.A., and M.Ed quarterly during the academic year 2021-22.

As a part of students' integral holistic development and providing an appropriate training platform to teacher educators, everyday Assembly is conducted by B.A.- B.Ed., B.Sc. -B.Ed., M.A. / M.Sc.- M.Ed., B.Ed.- M.Ed, M.Ed. students and faculty members of IITE.

Student Achievement

Indian Institute of Teacher Education (IITE) is truly an academically elite university. This is indeed a proud moment to share the heartening news that 39 students (UG Sem8- and PG Sem6-) from the Centre of Education cleared the CTET exam, declared on March 2nd, 2022. Also, three PG students qualified for the National Eligibility Test (NET). Out of which two got JRF along with NET. Additionally, 9 students qualified for the GSET (education) examination held on 23rd January 2022. Out of which 3 students were from PG-4, from PG6- and 5 were Ph.D. Scholars.

8.2 Center of Research

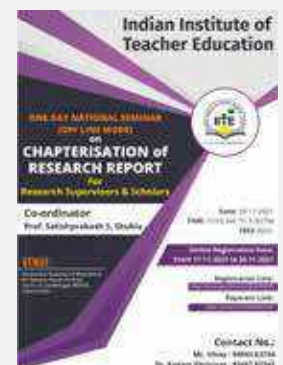

“ENDLESS RESEARCH IS THE KEY TO ACADEMIC EXCELLENCE!!!”

The Centre of Research is the backbone of IITE as it is committed to supporting young and aspiring minds to pursue research in the field of education and especially in teacher education. To promote and disseminate research in the field of Education and specifically focus on Teacher Education there is a Centre of Research (CoR) functional at the Indian Institute of Teacher Education, under section 6 (4) (i) of Act of IITE. Under this center three Research Councils focusing on the thrust area of research are functional. Centre of Research at IITE focuses on the research area such as:

- (I) New roles of contemporary teachers
- (II) The Art and Science of nurturing gifted children
- (III) The Art and Science of care for the weak and those who are psychologically and physically challenged
- (IV) Special problems of childhood, adolescence, and youth
- (V) Philosophy and Psychology of education in the light of Indian pedagogy and contemporary development.

Chintan Shibir

Indian Institute of Teacher Education, Gandhinagar organized a “Chintan Shibir” for all the teachers of the 59 Affiliated Colleges of the University from 30th April 2022 to 1st May 2022 at Statue of unity, Kevadia Colony. During this Shibir, various issues were discussed in different sessions during these two days. The venue was Tent City-2, Ekta Nagar at Kevadiya Colony. This event was organized and coordinated by the Academic Branch of the University.

On the first day of the Shibir, all the teachers arrived at the venue on time and got their registration done. They enjoyed tea and coffee and after that all took their place in the auditorium on time for the inauguration session of the Shibir.

Inauguration session was chaired by Dr. Harshad Patel, Vice Chancellor, IITE. Dr. T. S. Joshi, Ex-Director, GCERT, Dr. R. C. Patel, Professor from M. S. University and Dr. Bharat Joshi, Professor from Gujarat Vidyapith were present on the dais as guests. Dr. Himanshu Patel, Registrar, IITE welcomed all dignitaries and invited faculties at the Shibir. He also gave details about objectives and agenda of the Chintan Shibir.

After inauguration of the shibir, 7 sessions on different topics were conducted on the first day. The sessions were:

- Session – A: NEP & ITEP
- Session – B: NAAC-PAC
- Session – C: Admission
- Session – D: Curriculum Framework
- Session – E: Assessment
- Session – F: Academic activities (Format)
- Session – G: Best Practices

After completion of all the sessions of first day of Shibir, everyone enjoyed tea and breakfast. In the evening, all participants and guests went to watch Valley of Flower and Laser Show at Statute of Unity. After returning from there, they all watched a cultural program organized by Tent City. At the end of the day, some of them enjoyed swimming, along with a formal gathering and an open discussion with the Hon'ble Vice Chancellor. At the same time, everyone was seen sitting in their group and pondering how to solve their questions and problems.

1st May is the Foundation Day for Gujarat State. Therefore, closing session started with Gujarat Gaurav Geet on this occasion. This session was chaired by Dr. Harshad Patel, Vice Chancellor, IITE. Dr. R. C. Patel, Professor from M. S. University and Dr. Bharat Joshi, Professor from Gujarat Vidyapith were present on the dais as guests. All dignitaries gave feedback and responses about the outcome of this two days Shibir. At the end of the programme, Dr. Himanshu Patel thanked everyone and declared the program closed. Then everyone left for visit to Viewing Gallery at Statue of Unity.

The whole program was organized very beautifully. All the points taken and their presentation was also very beautiful during the Shibir. Accommodation was very good and time management was also excellent. It was depicted from the face of the participants that it was indeed a spectacular, memorable and result-oriented Chintan Shibir. It was evident on everyone's faces.

The University with vision, mission, and objectives

The University with vision, mission, and objectives

The State Public University: Nurturing Teachers of Tomorrow.....

Indian Institute of Teacher Education (IITE), a State Public University established under Gujarat Government Act 8/2010 (see **ANNEXURE-1**), is the University dedicated to Teacher Education. It is only of its kind not only in India but also in South Asian Countries. It is recognized u/s 2(f) of the University Grant Commission (UGC) in 2010 (See **ANNEXURE-2**). **This University was established in an era when the country was in search of alternatives to the current scenarios in Teacher Education. The then Chief Minister of Gujarat, Shri Narendra Modi envisioned the real scenario of teacher education globally.** Shri Modi thought of an interdisciplinary institution where school teachers to be nurtured for effective and efficient classroom instructions.

It is believed that sharing is the power that will generate knowledge in the 21st Century. In contemporary times, education would not be just a UG/PG Degree but a multicore development of individuals. Looking at the dire need of the society an all-inclusive setup; hence the idea of innovative, residential, integrated degrees was brought into existence. It is an Indian ethos to sense the best from around the world and to inculcate them in prospective generations without any kind of discrimination. **Shree Kireet Joshiji, the legendary Indian Academician and Philosopher**, made it viable and led us towards developing curricula for this University. It is a collaborative effort and leading National and International scholars contributed in the development of the curricula. The University has a single-line motto of nurturing world-class teachers who can be exported to schools across the world. It is the dire need of the time and there is a dearth of good teachers globally. IITE is established with a view to providing skilled teachers.

To accomplish the objective of nurturing competent and excellent teachers for the primary, secondary and higher secondary schools, 59 Government and Grant-in-Aid Education colleges of Gujarat are affiliated with IITE to run undergraduate and post-graduate teacher education programs.

Skill is a key in the process of any kind of knowledge. IITE has made it mandatory so skill and training are integral parts of teacher training. We have focused on specific skills to get developed along with a scheduled programme of curriculum transactions. Communication skills in mother tongue and English, dance, drama (theatre), painting, performing arts, etc. we believe that enhancing professional skills helps learners being more employable.

IITE is well structured on Teaching-learning, training, research and extension services, the four pillars of any university which play a vital role in the social transformation, the root cause of social change. Social transformation is the key factor in the development of the nation. To continue in the growth and development of the nation is the major responsibility and accountability of the university.

Since its inception, IITE is working in the field of teacher education with enthusiastic zeal to impart qualitative extensive training to the teacher trainees. IITE has received overwhelming responses from students and their parents towards the reforms implemented. Now, IITE is looking forward to the further expansion of its accomplishments in teaching-learning, training, research, and extension activities in the future to its potential zenith.

Through this project report, IITE proposes the new construction of Academic buildings for different departments. The university is established with the objective of training prospective teachers professionally and to help them become effective and efficient teachers to serve humanity in general and society in particular.

The following are objectives, vision and mission of the University:

- To evolve and implement a new program of teachers' education that would provide education and training to prospective teachers that aim at developing integral personalities of teachers.
- To train prospective teachers based on a globally benchmarked curriculum with ideas gleaned from the fusion of the intellectual traditions of India and the West.
- To equip teachers with the competencies requisite for dealing with the 21st-century issues of the choices and challenges of students.
- To impart teacher training which enables the prospective teachers to see the obtaining world in the new light of universal human values.
- To promote the indigenous tradition of teacher-student relationship (Guru-Shishya Parampara) in various fields of humanities, arts, crafts, sciences, technologies, and yoga (psychological and physical education).
- To publish and disseminate results of advanced research parents, social educators, and social workers.
- To promote national and international cooperation in teacher education as also in the development of teaching-learning material through online programs, documentaries, musical and dramatic programs, and films.
- To undertake, conduct and promote any program that will enhance the highest aims of pedagogy and synthesis of knowledge-systems and internationalism.
- To foster in the University the highest purposes of education of the body, life and mind as also of the human spirit in its integrity.
- To introduce and nurture innovations in the education system so as to reflect India's spiritual knowledge, robust intellectuality and inexhaustible creativity.

Vision

To create teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

Mission

To provide integrated courses in teacher education, marked and defined by value education, global outlook, and interdisciplinary.

Internal Audit Report - FY 2021-22

SHITIN SHIRISH & ASSOCIATES
CHARTERED ACCOUNTANTS

To,
The Registrar,
Indian Institute of Teachers' Education
Gandhinagar

Respected Sir,

Subject: Internal Audit Report of of FY 2021-22.

We conducted Internal Audit of your organization for the F.Y. 2021-22. There are few points which requires your attention. We are herewith attaching the internal audit observations along with the primary response received from Accounts Department.
(Annexure-1,2,3,4)

We hereby draw your attention to few important points apart from the above internal audit observations.

1. While conducting audit, it was observed that after audit of particular period, entries are being passed in the data. As these entries are passed after conduct of audit, we cannot trace such entries and related vouchers. Therefore, it is not possible for us to audit such vouchers and related documents.
2. During conduct of audit of revenue side, it has taken lot of time in reconciliation of student fees for entire year. It is highly recommended to do revenue reconciliation on monthly / quarterly basis and get it approved by Accounts officer from current year.
3. It has been observed that DD received from students are not entered in ERP. Procedure must be set up for entering all DD in ERP so that reliable reports can be generated from ERP.
4. There are many instances where accounts department receives relevant documents against advances given to staff after 5-6 months which leads to delay in expense booking and also payment of GST TDS. Such gap should be reduced by various departments.
5. Inventory register of receipt books and such other sensitive stationery must be maintained.

6. Accounting and maintenance of records related to Fixed assets should be streamlined. Fixed asset register, assets standing in accounts and physical assets are not yet tallied.
7. There are various transactions where GST applicability needs to be considered. During previous audit, it was informed to us that ITE will take opinion of GST expert regarding the same. This needs to be considered on priority basis.
8. There are few entries still pending in Suspense account (Annexure 4)

Our report is based on the verification of the document files produced and explanations given to our team during the course of the internal audit.

Thanking you.

AUDITOR'S REPORT

To Members
Indian Institute of Teacher Education

Opinion

We have audited the financial statements of Indian Institute of Teacher Education, which comprise the balance sheet as at March 31, 2022, and the Income & Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the entity as at March 31, 2022, and of its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give the true and fair view of the state of affairs, results of the operations and cash flows of the entity in accordance with the aforesaid Accounting principals generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenditures during the reporting period.

Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

11. Provisions

Provisions are made at the year end when there exists, present obligation as a result of past obligating events, of which the enterprise has no alternative but to settle the obligation bearing certain expenses of a particular year for which written approval is not received.

12. Contingent Liabilities

FY 20-21	Nil
FY 21-22	Nil

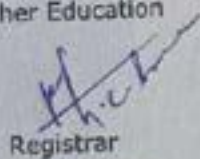

13. Notes to Accounts

- Previous year figures have been regrouped and reclassified wherever necessary so as to make them comparable with current year's figures.
- Balances stated either as debit or credit under current assets, loans and advances or as current liabilities are subject to confirmation and reconciliation.
- No fraud on or by the institute has been recorded or reported.
- Transactions recorded in the books of account are supported by the documentary evidences where such entries in the books of accounts have been taken as relied upon as authenticated by management.

Preface

Indian Institute of Teacher Education (IITE), a State Government University has maintained a trajectory of steady and sustained growth. since last couple of years. IITE has started to look forward for UGC 12B recognition, NAAC accreditation and NIRF ranking for the strong foundation of future progress. The Annual Report of the University portrays the wide spectrum of various academic and co-curricular activities at the University. The Editor has candidly tried to capture the vibrant academic environment that exists in the University Campus highlighting the research projects, research publications, participation in various seminars and workshops. The notable contributions made by the faculty members and some of the achievements of the students are also included in the pages that follow. The Annual Report also provides the statistics of quantitative data important for accreditation. We hope that the Annual Report 2021-22 presents successfully the academic culture of IITE to its readers.

I thank our Vice-Chancellor Dr. Harshad A. Patel for his constant support and encouragement in bringing out this report. I would like to express its gratitude to Internal Quality Assessment Cell (IQAC) for collecting and compiling the information from the various resources of IITE. I thanks all those who have contributed directly or indirectly in preparing and publishing this Annual Report.

Chapter 1

Strategic Plan - IDP 2022

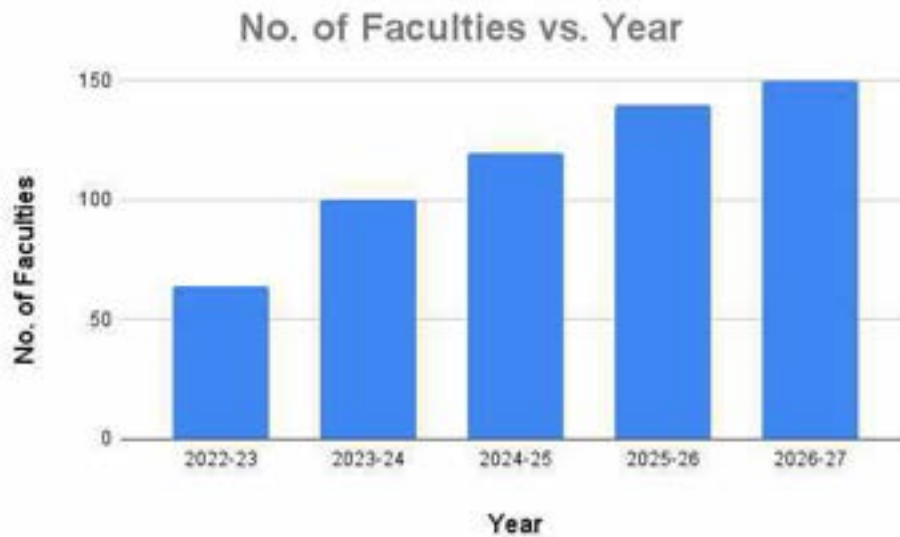

A Strategic Plan - Institutional Development Plan (IDP) of coming five years is elaborated here considering the reference year 2022 - 2023.

1.1 Academic Excellence

The academic excellence of the University mapped with number of quality research papers of the faculties and research students. To build the strong foundation in academic excellence IITE has made some basic steps toward the enhancement of faculties. It is advised to all faculties to take maximum benefits from the academic MOUs with various institutions and universities. IITE is committed to achieving academic excellence by promoting innovative pedagogy and by investing in faculty and academic programs. IITE will achieve academic excellence through recruiting, retaining, and supporting committed and innovative faculty and through continuous assessment and strengthening of academic programs. The FAR - PAR is one of the best practices, claimed in the NAAC peer team visit and UGC 12B expert committee visit.
