Teachers[🎵]

Learning through the waves *Tune*

an **IITE** initiative

Internet Radio Station IITE, Gandhinagar

VISION

Teachers' Tune an Internet Radio Station of IITE. It is a unique initiative of IITE as it promotes talents and skills of learners, develops community values and establishes a new gen learning environment by broadcasting educational programs which revive indigenous knowledge systems premised on rich oral traditions, culture and heritage and benefit the students and general public globally.

OBJECTIVES

- To broadcast educational programmes for the benefit of students and general public in worldwide.
- To cater to learners seeking to gain knowledge in the areas of basic, primary, higher, and extension education.
- To promote talents and skills of learners through the didactic nature of the programmes.
- To fulfil personal and educational goals by giving awareness of certified vocational courses, coaching for entrance exams, updated information on careers, courses, etc.
- To promote the development of community values and establishment of a learning environment in Indian society.
- To revive indigenous knowledge systems premised on rich oral traditions, culture and heritage.
- To help support students studying globally as well as those generally interested in expanding their knowledge.
- To have convergence of radio with computer technology enhancing student learning using low cost Internet radio delivery technology.
- To help build larger and nation-wide collaborations with university.
