Celebrating
Decade of Dedication

ANGIRA

Academic Networked Global Instructional Resources for Academicians

A Dedicated MOOC Platform for
Teacher Educators

An **IITE** *Initiative...*

You are welcome...
...to be a part of a classroom without walls

Dear Teacher Educators,

IITE, had launched an ambitious project named ANGIRA on its 10th Foundation Day. It is a MOOC (Massive Open Online Courses) platform dedicated to Teacher Education. The project has been named after divine vedic sage Angira - a teacher and one of the Saptrishis, who passed on the divine knowledge to men. Sage Angira can be a source of infinite inspiration.

ANGIRA acronymed as Academic Networked Global Instructional Resources for Academicians, will offer online platform for hosting the Teacher Education Programs.

IITE is proudly announcing the commencement of e-learning material development project for Teacher Education Programs through ANGIRA platform. In the times of COVID-19 Pandemic, the classrooms without boundaries have been needed like never before.

We all are teacher educators and we are always having our unique methods of teaching of a specific topic or subject. I invite you all to make the best use of ANGIRA platform and channelize your best practices of teaching in the never ending ocean of knowledge. You can contribute videos in any language of your choice and we will process it to ensure that your best teachings reach to the millions of students looking for knowledge and understanding of a specific topic.

This brochure has all the information about the processes and guidance for you to create MOOC videos and selection of topics.

I welcome you to be a part of a classroom without walls.

Dr. Harshad Patel
Vice-Chancellor, IITE

ANGIRA

A Dedicated MOOC Platform for Teacher Educators

E LEARNING MATERIAL for

TEACHER EDUCATION PROGRAMS

INVITATION TO ACADEMICIANS

IITE invites academicians an opportunity to develop e learning material for Teacher Education Programs that are offered at IITE. In the first phase IITE is offering the opportunity to created e learning material for the 2 Year B.Ed. Program which came into force from Academic Year 2020 in the given format

E Learning Material 4 Quadrants

S.No.	I	II	III	IV
Quadrant	**VIDEO (Audio Visual)**	**PPT + TEXT (Visual)**	**References (Visual/Audio/Audio Visual)**	**ASSESSMENT**
3 Credit 4 Units	40 Lectures	40 Texts + 40 ppt.	6 References in word document	4 Formative + 1 Summative (40 F+20 S min.)
Time	30-40 min./ lecture	Content of 6-10 pages requiring 20-30 min. reading time	Reference time of 30 min.	Assessment Time 30 Min. (1 Min/MCQ 3 Min./Short Ques. 5 Min./Long Ques.)
Type	Self -Recorded Animation Simulation Demonstration video Virtual Labs	6-10 pages/session Self-Instructional Material pdf e book, illustrations, infographics Glossary FAQs etc.	Open source Content Links for Video, e-books, research papers, Articles, etc. Web Link should be in the form of complete updated URL	Self-Graded Quiz MCQs Short/ long questions Assignment
Format	MP4, MOV, AVI FLV, MPEG	Font size :12, Arial, Single Space(for pdf)	word document with live links	Online quiz, forms, rubrics
Total Time for 1 topic = Quadrant 1+2+3+4= 40+30+30+20 = 120 min.= 2 hrs				

Framework for developing the e Learning Material:

- Each 3 credit paper of B.Ed. Program is divided into 4 Units having 4 topics each. This whole syllabus is divided into 40 topics, 10 topics in each unit. Each paper will have 4 formative assessments 1 after each unit and 1 summative assessment at the end of whole paper.
- The topics will be shared in google sheet. Techer Educators will be required to select a topic of choice. They may select one or more than one topic.

Guidelines for Authors

1. The topic selection is to be made in the prescribed format shared by IITE. Each topic covers one point of the given unit.
2. The author can select any number of topics from the given list but the author for the given topic should be single.
3. The language of submission (audio video and text) can be Gujarati/ Hindi/English
4. The e content for the given topic is to be provided in the four quadrants:
   a. Video Lecture of 30-40 min.
   b. PPT covering the topic/ or pdf with self-learning material with reading time of 20-30 min.
   c. A word file of references having active links with study time of 20-30 min.
   d. Assessment questionnaire of 20 min.
      Thus each topic will be covered in about 120 min. that is 2 hrs.
5. The content of the 4 quadrants should be provided in the given format only with a good quality resolution in case of video and appropriate formatting and settings in case of power point, pdf and word file.
6. The video, ppt. and pdf should describe the Learning objectives and the outcomes. There should be a brief summary at the end.
7. The content developed should be authentic and without copying and/ or paraphrasing from the existing content. The author will be solely responsible for the plagiarism and copyright issues.
8. The content should be of good quality, updated and relevant to the context and the topic. Care should be taken for the language used, images projected and examples cited to avoid any controversy or hurt any feelings.
9. The nominations once called for will be reviewed by a review committee and their decision will be final regarding the selection of e content developer. The content submitted by the author will be duly reviewed by the committee and they may request the revision in the content to the author.
10. The last date for selection of title is 15th ~~October 2020~~ **JANUARY 2022**
