University Song

યુનિવર્સિટી ગીત

રાષ્ટ્રની ઉજળી આવતીકાલના અમે છીએ ઘડવૈયા,
અંધકારની સામે અડીખમ પ્રકાશના લડવૈયા,

તૂટે તિમિર તણાં હર બંધન . . .
આઈ.આઈ.ટી.ઈ. તુજને વંદન . . . (૨)

ઘડવૈયાનું ઘડતર કરતું ઉત્તમ વિદ્યાધામ ,
પરંપરાને પ્રયોગ કેરું થાય ઉચિત સન્માન,

તુજને કોટિ કોટિ અભિનંદન . . .
આઈ.આઈ.ટી.ઈ. તુજને વંદન . . . (૨)

સંસ્કૃતિનું રક્ષણ, આધુનિકતાનું આહ્વાન,
સુરાષ્ટ્રના નિર્માણને સાર્થક કરતું ઉત્તમ શિક્ષણ,

પ્રગટે જ્ઞાન તણાં જ્યાં સ્પંદન . . .
આઈ.આઈ.ટી.ઈ. તુજને વંદન . . . (૨)

THE EMBLEM

न हि ज्ञानेन सदृशं पवित्रमिह विद्यते

The emblem of IITE, is the combination of following:-

Rising sun.

An open book.

A teacher writing on a green board.

न हि ज्ञानेन सदृशं पवित्रमिह विद्यते

[“ Nothing is more sacred than the Education” (knowledge)]

The emblem has an open book from which the sun is rising in the centre, which depicts the continuous rise of knowledge and how it brightens the world from all the evils prevailing around. Further, the logo shows a teacher writing on a green-board, which shows the role of teacher in transmission of knowledge to the world and is symbolized as the sun in this human world. The person, who only can lead anyone from the darkness to the brightness of life. Teachers only can teach the true essence of life with the use of simple tools like board and can bring wonders to this world. The university emblem ultimately symbolizes an endless flow of rising knowledge.

 39. Knocking the door with Teacher's Tunes
 40. Act as vigilant Citizen in Vaccination Drive
 41. Shining PG Stars

Vision and Objectives of the University

The Indian Institute of Teacher Education(IITE) has been established “to promote teachers’ development of integral personality; wide vision of nationalism and internationalism; and to fulfil their role as exemplars, as friends, philosophers, and guides; as scientists, psychologists, artists and technologists; and above all as ideal communicators who can spread uplifting influence by the processes of awakening, inspiration and contagious enthusiasm; also to promote new trends of syntheses of the East and West and agents of change from old to the new”

- The Indian Institute of Teacher Education, Gujarat Act, 2010

Vision

To nurture teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

Mission

To provide integrated courses in teacher education, marked and defined by value-education, global outlook, and interdisciplinary.

“Without continual growth and progress, such words as improvement, achievement, and success have no meaning”. Benjamin Franklin

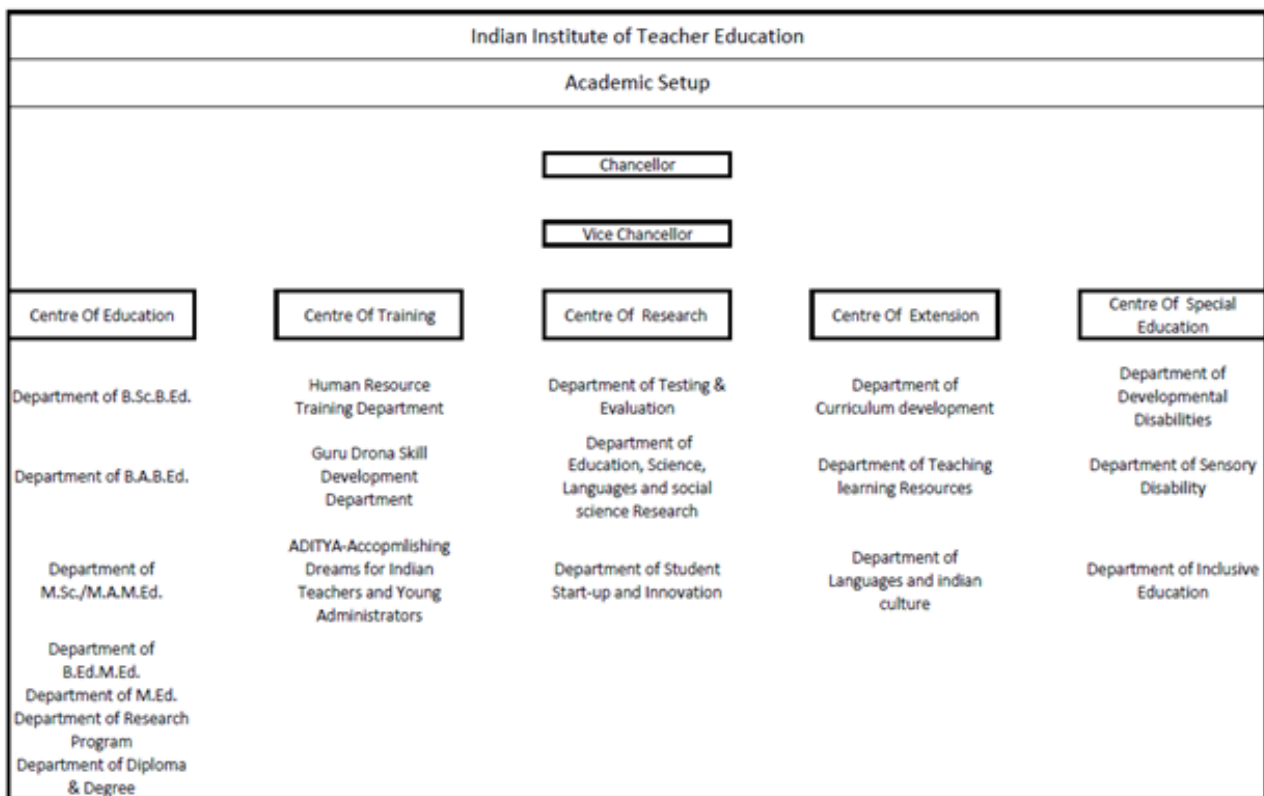

Established by the Government of Gujarat, through Gujarat Act No. 8 of 2010, Indian Institute of Teacher Education believes that its objectives are contributory in the propagation and progression of knowledge. The University is committed towards development of integrated courses in the field of teacher education. To educate and train a human resource for the country’s development, to initiate appropriate measures for promoting innovation in teaching and learning, and for the improvement of the social welfare of the teacher, especially their intellectual, academic and cultural development.

Objectives

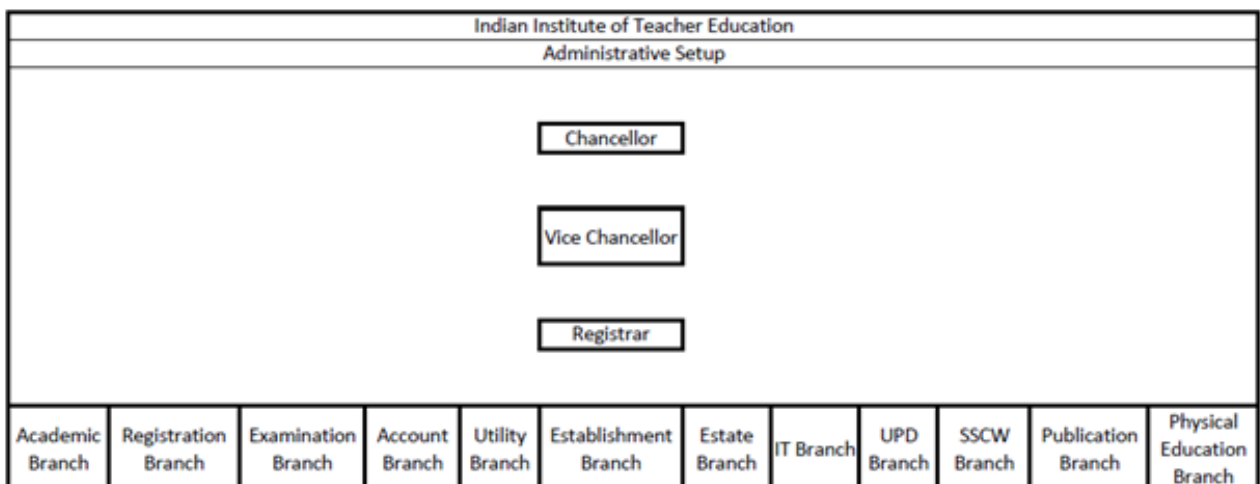

- ◇ To evolve and implement new programs of teacher education that would provide education and training to prospective teachers that aim at development of new integral development of teachers.
- ◇ To train prospective teachers based on globally benchmarked curriculum with ideas gleaned from the fusion of the intellectual traditions of India and the West.
- ◇ To equip teachers with the competencies requisite for dealing with the 21st century issues of the choices and challenges of students.
- ◇ To impart teacher training which enables the prospective teachers to see the obtaining world in the new light of universal human values.
- ◇ To promote the indigenous tradition of teacher-student relationship (Guru-Shishya parampara) in various fields of humanities, arts, crafts, sciences, technologies and yoga (psychological and physical education).
- ◇ To publish and disseminate results of advanced research relating to teachers’ education for purposes of advancement of capacities to teach and learn among professional teachers as among parents, social educators and social workers.
- ◇ To promote national and international cooperation in teachers’ education as also in the development of teaching learning material through online programs, documentaries, musical and dramatic programs and films.

- ◇ To undertake, conduct and promote any program that will enhance the highest aims of pedagogy and synthesis of knowledge-systems and internationalism.
- ◇ To foster in the University highest purposes of education of the body, life and mind as also of the human spirit in its integrity.
- ◇ To introduce and nurture innovations in the education system so as to reflect India’s spiritual knowledge, robust intellectuality and inexhaustible creativity.
- ◇ To nurture teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

IITE – Academic Structure

IITE – Administrative Structure

Authorities of IITE

General Council:

The meeting of the General Council of IITE was held on 23rd of November 2020. This being the second meeting of the General Council, the members were made aware about growth and development of the university during the year. The members were made aware about the activities done by Centres of IITE. The members were informed about the formulation and reconstruction of various statutory bodies of the university like the General Council, Executive Council, Academic Council, Board of Studies, Research Council and Finance Committee. Formulation and restructuring of various Centres at the university like the Centre of Education, Centre of Research, Centre of Training, Centre of Extension and Centre of Special Education along with activity report cards of all the departments of the University. The Annual Report of the University for the year 2019-20 was presented at the meeting and was approved by the Council. Similarly, it was decided to hold the convocation and to award degrees to 152 students passed during the last year for various courses. It was also approved to award 4 gold medals. Unaudited financial reports and accounts were also presented at the meeting and were approved by the Council.

Sr. No.	Name of General Council Member	Post
1	Shri Acharya Devvrat, Hon. Governor & Chancellor, IITE	Chairman
2	Dr. Harshad Patel, Vice-Chancellor, IITE	Member

Board of Studies at IITE

As we are passing through great transition in every field so does in the field of education large renovation is taking place. To meet the need of new age learners we as a teacher education institute need to bring change in the teacher- education curriculum so the old does not become obsolete and new keeps on emerging.

A curriculum as an instrument of certain goals to be achieved has also an important place also, a syllabus as a great utility in presenting to the student the various elements involved in what he is going to learn.

Members of all the 13 boards constituting head of department, teachers of IITE nominated by Vice chancellor and various prominent expert professors from other state universities

are sharing their specialized views to strengthen the syllabi and curriculum of B.Sc.B.Ed. and B.A.B.Ed. four year integrated programme and gave suggestions for improvement of various UG and PG syllabus.

The details of meetings of Board of Studies are given below:

11/09/2020 – B Ed-M Ed Syllabus,

21/09/2020 – Various syllabus review

Board of Studies at IITE

Board of Studies
Board of Teacher Education and Learning Technology
Board of Language Education
Board of Education in Sciences and mathematics
Board of Education in Social Sciences
Board of Education studies and lifelong Education

Board of studies for Political Science (Adhoc)

Various Committees and Cells:

As per UGC guidelines and recommendations it is mandatory to set and activate the mechanism for different committees and Cell at University level. The University has established various cells as per the direction of the UGC. We have Women Development Cell (WDC), Equal Opportunity Cell (EOC), Anti Ragging Cell, Anti-harassment Cell, SC/ST Cell and Grievance Redressal Mechanism. As per provision of Regulation 21(4) of IITE Regulations, 2021, Shri G. M. Patel, Judicial Advisor Member, Gujarat Value Added Tax Tribunal and Retired Additional District Judge has been appointed as Ombudsman for the University by the Academic Council.

Meetings of the said cells have been arranged during the year; where relative topics have been discussed.

EQUAL OPPORTUNITY CELL

A Meeting of an Advisory Committee for Equal Opportunity Cell, an online zoom meeting was scheduled on 7th April at 11:00 AM. The Agenda were to discuss various activities that may be conducted for creating awareness among the students and faculty for equal opportunity and

to discuss the draft policy of equal opportunity cell.

The following decisions were taken.

◇ The first draft of the guidelines for equal opportunity cell was presented and discussed. Honourable vice chancellor sir, Dr. R. G. Patel and Dr. Fafal shared their views. After the discussions, the modified draft of the guidelines was prepared as well as sent to the Registrar, IITE through mail.

ACADEMIC CALENDAR

University prepared an academic calendar as per guidelines of Central & State Governments. This academic calendar is approved by the Academic Council of IITE

ODD SEMESTER

Odd Semester	September 2020 – January 2021
15 September 2020	Semester Reopening
15 September 2020	Induction of First Semester UG And PG Students
	Youth Festival*
11 January 2021 – 23 January 2021	Internal Exam
12 November 2020 – 18 November 2020	Diwali Vacation
31 January 2021	End Of Odd Semester
1 February 2021	Start of University Exam
10 March 2021	Announcement of Results

EVEN SEMESTER

Even Semester	February 2021 – June 2021
20 February 2021	Semester Reopening
	Sports Day*
31 May 2021 – 12 June 2021	Internal Exam
22 June 2021	End Of Even Semester
23 June 2021	Start of University Exam
21 July 2021	End Of Odd Semester
	Announcement of Results
01 July 2021 – 30 July 2021	Summer Vacation

UNIVERSITY PROGRAMMES/COURSES

ACADEMIC CENTRES

The Centres:

Revamping and restructuring of the Indian Institute of Teacher Education has been the mantra of the academic year 2020-2021 in Covid pandemic situation. As a part of the smooth functioning, five centres were active for student grooming and guidance in the pandemic era. namely,
- Centre of Education

- Centre of Training
- Centre of Research
- Centre of Extension Services
- Centre of Special Education

1. Centre of Education:

The Centre of Education being the core centre was established with the aim to provide new structures to programs of Teacher's education, by combining subjects of humanities, sciences, arts, fine arts and technology along with the philosophy and psychology of education, and pedagogy. The aim is to create teachers who have the highest linguistic and professional abilities to cater to the needs of the new techno savvy generation, and to adjust and succeed anywhere in the world.

The school education requires professionally trained teachers to excel the teaching and learning process to be effective. Teacher education needs to be designed to meet the national requirement looking at growth and perspectives at global platforms. IITE aims to achieve the universal lacuna of effective, efficient and excellent school educators.

The Centre also promotes the development of academic relationships with primary and secondary schools which meet the needs and standards of the university, and also in return empower them to reap the benefits of the results of the work of the university.

Undergraduate Programs

B.A.-B.Ed. Program (4 years)

Department of English, Languages & Social Sciences Education

The B.A. B.Ed. program is structured to cater to the needs of the Senior Primary and Secondary Schools where the subjects are general in nature and the students have to learn basic and fundamental concepts in the fields of Languages and Social Sciences. So the core element of the course is based on primary concerns of teacher education and subjects within. Language groups and social science groups are a part of their curriculum. The B.A. B.Ed. Program offers following subjects as major, along with core reference to Education discipline:

- English
- Gujarati
- Hindi
- Sanskrit
- History

- Political Science
- Geography
- Economics

The subjects offered here have a versatile choice into languages (04) and social sciences (04). For the first time IITE has added a number of subjects, other than English to its B.A. B.Ed. program to increase the diversity in choice and specialization for students.

B.Sc. B. Ed Program (4 years)

The B.Sc.B.Ed. the course is also structured to cater to the needs of Senior Primary and Secondary Schools where the subjects are general in nature and students have to learn basic and fundamental concepts in the fields of Mathematics, Chemistry, Physics and Life Sciences. So the core element of the course is based on primary concerns of teacher education and subjects within. As a part of the program students are offered skill courses to enhance their teaching skills.

The B.A. B.Ed. Program offers following subjects as major, along with core reference to Education discipline:

- Chemistry
- Mathematics
- Physics
- Life Sciences

B. Ed. Program (2 years)

This course is structured to cater to the needs of the Upper Primary and Secondary Schools where the students have to learn basic pedagogies of Mathematics, Sciences, Social Sciences and respective Languages. So, the core elements of the course are based on primary concerns of teacher education and pedagogies within NCTE Rules and Regulations.

Post graduate Programs

M.A./M.Sc. - M.Ed. Program (3 years)

There is a dearth of well qualified teachers in our country. And it is also the dream of Shri Narendra Modi, the brainchild behind the foundation of IITE, that India should export well-trained and well-qualified teachers. As a part of the grand plan, all processes of teacher recruitment, training, motivation, incentives, retention and feedback therefore have to be planned on a large scale. Further the ultimate goal of teacher development should be to ensure that optimal learning takes place in the classrooms. With this noble objective we have launched the M.A. M.Ed. and M.Sc. M.Ed. Integrated program.

M. Ed. Program (2 years)

This course is structured to cater not only to the needs of the Upper Primary and Secondary Schools, where the students have to learn basic pedagogies of Mathematics, Science, Social Sciences and respective Languages, but also prepare future educators who have a research bent of mind, to experiment and evolve new techniques of enhancing the teaching – learning process.

EPC (Enhancing Professional Capabilities)

The Indian Institute of Teacher Education also offers various PG Diploma and Certificate courses for enhancing capabilities of pre-service and in-service teachers. Students of four year integrated course have been offered 36 different soft skill courses out of which they may opt atleast 12 courses free of cost

2. Centre of Training:

The academic year 2019-20 saw the blooming of CoT into a fully functional centre offering a variety of certificate and diploma courses in Education. The three major departments of CoT are formed with the vision to emerge as a learning environment and capacity building centre, where university faculty, staff, students, pre-service and in-service teachers, parents and community collaborate for advancement in academic, professional and parenting skills' development and empowerment. The departments are -

Human Resource Training Department [HRTD]

Centre of Training provides training programs to stakeholders in the Education sector, private or government. It offers customized/demand based Faculty Development Programs, short-term training programs for the stakeholders involved in Higher Education, School Education and Community system through comprehensive training modules catering to cognitive, affective and psychomotor domains. These stakeholders include students, pre-service and in-service school teachers, supervisors, vice-principals, college faculty, principals, administrative staff and parents as a community. It also offers special in-house training in the school and colleges too, like:

Faculty Development Programs for Schools and College Teachers (FDPs)

Educators Executive Programs (EEPs)

Professional Development Workshops for Administrative Staff of Schools and Colleges (PDWs for Support Staff)

Counselling Parents Community Workshops (CPCW)

Students Coaching Workshops (SCWs)

Guru Drona Skill Development Department [GDSDD]

The Department is offering following skill courses at present to all IITEians: ICT: Information and Communication Technology, DIPTI: Development of Integral Personality through Innovation, Dance: Kathak & Bharatanatyam (BN), Drama, Painting, 3D Printing (3DP), Rifle Shooting (RS), Music: Vocal & Instrumental (Singing), Taekwondo, Malkham (MK).

The Centre of Training also offers customized/demand based one to three days' skill development workshops for the stakeholders involved in Higher Education, School Education and Community systems.

Placement Department

ADITYA (Accomplishing Dreams for Indian Teachers and Yearning Administrators)

CoT has developed a WEB Portal ADITYA, to act as a bridge between the human resource requirement of schools and teachers, wherein placements are conducted from local to global.

The Centre provides training and placements of pre-service and in-service teachers.

CoT also fulfils the requirement of pre-service teachers (Fresh B.Ed. Degree holders), by offering certificate courses in professional training of teachers from primary to higher secondary levels and gives them placements in well-known schools.

Placement to In-service teachers is provided with the motto of their career advancement and improved job opportunities.

CoT is also active in providing placements internationally.

Placement Statistics @ IITE

3 Job Fairs have been organized till date in which recruiters from local, regional and abroad schools remain present. 170 students have been benefited by placements in more than 20 local and regional schools and abroad.

3. Centre of Research:

Centre of Research is the backbone of IITE as it is committed to supporting young and aspiring minds to pursue research in the field of education and especially in teacher education. Centre of Research focuses on the research in new roles of contemporary teachers, art and science of nurturing gifted children, art and science of care of the weak and of those who are psychologically and physically challenged, special problems of childhood, adolescence and youth, philosophy and psychology of education in the light of Indian pedagogy and contemporary development.

The Centre of Research aims to introduce and nurture innovations in the education system. It aims to study and derive lessons from the ongoing experiments in the education field and foster all the innovative work and promote the same for larger expansion and effective utilization.

It aims to set up, conduct and promote various councils in research for diverse subjects that not only include education, but also which is multidisciplinary, multilingual and multicultural in nature so that it caters to the demands of the new globalised individuals.

The following activities are undertaken by the Centre:

- Junior Research Fellowship
- Research Development Committee
- Research Workshop
- Minor Research Project
- Research Council

4. Centre of Extension:

The Centre aims to provide services for continuing education and to telecast programs of social education throughout the state, and in order to promote an all-round interest in teacher education. It also aims to provide an interrelated connection amongst all the areas in all the integrated courses of teacher's education, like theoretical, experiential, experimental foundations of education, curriculum and pedagogy, practical courses and school internship.

The Centre also aims to conceive, design, conduct and promote various short-term and long-term courses for not only pre-service and in-service teachers but also courses specially designed to serve the parents to play the demanding new roles, to become more competent teachers, to enhance the causes of the aims of continuing education and lifelong education. The Centre of Extension Services is promisingly functional with its multi-faceted structure comprising three proactive departments namely:

- Curriculum Development
- language and Indian Culture
- Teaching, Learning Resources

Through the Centre of Extension, IITE is conducting various programs for in-service and other aspirants for developing their knowledge and skills in the area of higher education.

5. Centre of Special Education:

After implementation of the Right to Education Act, 2009, diversities in classrooms are increasing and clearly visible. The base of these diversities may be social, cultural, ethnic, economic, lingual, cast, and disabilities. With this increasing diversity, management of the classroom is a concern for teachers.

This is a concern because teachers are not trained for dealing with these diversities, they may not be acquainted with the basic characteristics, teaching methods and other techniques required to manage these diversities in the classroom. The changes are coming in the system and we are moving towards inclusive practices and special emphasis is being given on the needs of individuals having disabilities. Government has started Sarva Shiksha Abhiyan, Rastriya Madhyamik Shiksha Abhiyan and other policies to address the needs. Government has also made some legal provisions for children with disabilities, like for instance, the Person with Disability Act- 1995. The recent one is the Rights of Person with Disabilities Act, 2016.

With the above concern in mind the Centre of Special Education was established on 9th April 2019. Under the Centre of Special Education, there are three departments:

- Department of Developmental Disability
- Department of Sensory Disability
- Department of Inclusive Education

The key responsibility of the Centre is to provide constructive support to the children with special needs in the conducive environment of the Indian schooling system.

It aims to offer RCI (Rehabilitation Council of India) recognised programs training teachers for the students with special needs.

Facilities

SHRI KIREET JOSHI LIBRARY – ‘The Resource of Knowledge’

It is said, “When in doubt go to the Library.” A library is the soul of any academic institution. No University, College or Institute is complete without a library. Shri Kireet Joshi Library is the soul of the Indian Institute of Teacher Education. It serves as a knowledge hub to promote learning and reading activities among faculty members and students of IITE. The Library is situated in the midst of the academic complex of the University and is the hub of all academic activities of the University.

- The Library is fully functional with RFID Technology which involves self-check-in check-out through KIOSK Machine, Book security Gate, Book Drop Box, Books inventory, user tracking, and smart card service.
- The Library uses SOUL 2.0 Library Management Software and all Library functions are being carried out using the same. Most of the operations of the library have been computerized and the rest of the operations are in the process of computerization.
- IITE is a member of the National Library and Information Services Infrastructure for Scholarly Content (N-LIST) – a project jointly executed by UGC-INFONET Digital Library Consortium, INFLIBNET and INDEST-AICTE Consortium, IIT Delhi. Under this membership we have access to 6000+ E-journals and 135000+ E-books.
- The library has a good collection of books on Education, Computer Science, Chemistry, Physics, Mathematics, and Humanities & Social Sciences. The collection includes reference books, Journals, periodicals, encyclopaedias, dictionaries, text books, CDs etc.
- Students are constantly in need of a best collection of books and research journals in electronic as well as printed formats, for this purpose the university has subscribed with INFLIBNET for e-resources and for e-journals with various reputed online scientific

databases which can be accessed for further study and projects.

- The library has been well – equipped with comfortable furniture and amenities alike.
- The library has been provided with Internet and photocopying facilities throughout the working hours, both for the students and the faculty.
- It is equipped with computers, educational CD's & e-books which may be used by the students, teachers and researchers.
- The library has in all 8580 books, 29 Academic and Research Journals, 18 Magazines and Periodicals, 6000 e-Journals, 135000 e-Books and 9 Newspapers.
- The Library reading area is fully air conditioned having 120+ seating capacity for the comfort of the readers.
- The library remains open from 8.00 a.m. to 6.00 p.m. throughout the year.
- The Library enriched its collection by 11,200 plus books whereas 2500 plus books were received as a gift from the Honourable Vice Chancellor, IITE and other eminent persons and organizations.
- The Library has subscribed up to 48 journals and received 50 Journals/Magazines as gifts and exchange.
- During the period under report, the Library also subscribed two free databases through the E Shodhsindhu project named “South Asian Archives” and “World Archives” on the registered IP range of the university.
- In addition to this the library has a unique and special collection called “Shree Kireet Joshi Archives”, which archives the books edited and written by the great personality Shree Kireet Joshi.
- The library also has separate sections for references, dissertations, CD/DVDs collection, old exam papers, collection of Psychological tests and a collection of Educational surveys for research enhancement.
- To promote research integrity and quality enhancement of research, the university has provided all the faculty members and supervisors with the access of “URKUND” anti-plagiarism software.
- The Library has also organised an online user training program for using the anti plagiarism tool.

The Library organizes regular library orientation programs for UG, PG students and PhD scholars of the University.

Affiliated Colleges Information

IITE was established with the aim of exporting well-groomed and trained teachers at the global level, by the then Chief Minister of Gujarat and present Prime Minister of India, Shri Narendra Modi. In an effort to expand its horizons IITE has undertaken numerous steps, one of which is becoming an affiliating university.

Indian Institute of Teacher Education is committed to uphold Teacher Education; and to develop, design, conduct and promote foundational courses, core courses, Research in education, experimental activities covering a wide range of subjects in teacher education as per the central idea to establish this University. To percolate this central Idea and to promote the teacher education programme across the state; with one common training and syllabus, the Education department, Government of Gujarat decided to de-affiliate all 40 Grant-in-Aid / Government B.Ed. colleges and had been affiliated alongwith 19 DIETS with IITE. The academic department initiated the process for affiliation within the stipulated time line and completed the process accordingly. By affiliating the colleges, IITE has boosted its presence across the state; the vital initiative to establish good gestures in teacher education.

Centers of University – Annual activities

Shiksharth: Initiative for Curriculum Transaction

Shiksharth is one of the initiatives towards quality education by Indian Institute of Teacher Education. The vision of Shiksharth is to educate future teachers and teacher educators with versatile knowledge from eminent educationists from the field of education.

Shri Bhupendrasinh Chudasama, Education Minister, Gujarat launched it on 3rd of January, 2021. From 18th January, 2021, it telecasts in the morning at 8:00am to 11:00am and re-telecast in the evening at 6:00 pm to 9:00 pm. on Vande Gujarat Channel No.1, Dish TV's Channel No.1264, DD Free DTH, Jio TV mobile application.

Under Shiksharth programme, various topics related to teaching skills, Communication, ICT in Education, Curriculum, Educational Psychology, Educational Philosophy, Educational Research and many more related to language learning are covered. Across Gujarat, more than 70 experts from the field of teacher education, Gujarati and English language have shared their knowledge through Shiksharth platform.

To facilitate learning to prospective teachers, during the semester end examination, panel discussion on various subjects were telecasted. To facilitate learners to learn as per their space and speed, these recorded lectures are available online on IITE Youtube channel. It provides an opportunity to the teacher fraternity to reach remote areas.

In the near future, Shiksharth is providing a platform to learn the Indian Classical language – Sanskrit in its own space. With an objective to improve quality of research, another series on Research Methodology will be the second programme under it.

Chanakya Awards: 2021

The Chanakya Awards for Teacher Education is being instituted to recognise the efforts and achievements of the teaching fraternity. Through this initiative, IITE intends to set a trend of celebrating the pride of the teacher's job as a gratifying career. The selfless service of such a teacher should be recognised and appreciated. Following the guidelines of NEP-2020, IITE has taken up Chanakya Awards as an initiative to revive the respect and performance of teacher educators and teacher education institutes as well as to motivate the teacher trainees to perform their best.

About the Awards

Chanakya, also known as Kautilya or Vishnu Gupta was a professor, philosopher, a great scholar and a royal adviser. He spent the last phase of his life at the ancient Takshashila Vidyapith in Takshashila, as a professor of economics and political science. Chanakya served as the chief advisor to Chandragupta. Chanakya has been credited with authoring two treatises said to be the first of its genre in the world – the Arthashastra (Economics), the ancient Indian political treatise; the Niti-shastra, the Chanakya Niti, a treatise on the ideal way of life and his policies. He is an apt example of a true Guru and an ideal teacher under whose guidance the Indian Maurya empire emerged as the superpower in the world and that is why the name Chanakya is immortal in the history of education in India as well as in the world.

Selection Process:

The award was initiated and declared on 30 June, 2020 on the occasion of 10th foundation day of the university and in the month of January-2021, the applications under three categories i.e. Chanakya Awards for Best Teacher Trainee, Chanakya Awards for Best Teacher Educator and Chanakya Awards for Best Teacher Training Institute were invited.

The applications received under the various categories were processed under the following stages.

Stage 1: Review Process of the Applications

A review Committee was formed of three members. The review committee reviewed and provided the weightage to the applicants as per the weightage scheme i.e. for teacher trainee: (out of 200), teacher Educator (out of 500) and teacher training institute (out of 1000).

Under Category 1: Chanakya Awards for Best Teacher Trainee out of six applications committee recommends that three applications are recommended for second stage.

Under Category 2: Chanakya Awards for Best Teacher Educator out of nine applications committee recommends that five applications are recommended for the second stage.

Under Category 3: Chanakya Awards for Best Teacher Training Institute three applications were received.

Stage 2 and 3: Selection cum Screening Process

All the applications that were selected for the second phase have been passed through the second stage as well as through the third stage. The committee members assigned letter grades to the applicants as per their performance. After reviewing the grade sheets of both the categories, the Chairman suggested that the Category-2 is for teacher educators. They were having teaching experience of the years together, and the presentation of the data and the documents were very clear. So, the panel decided to have interaction only with the applicants of category 1: (Teacher Trainee) and in category 2 (teacher educator) . Apparently the winner is the par excellence. No interaction is required, looking at their status and presentation. So the winner of the category -2 (teacher educator) was unanimously decided.

Again a virtual session of interaction was arranged with the applicants of category 1 was held on 9th June, 2021. All the panel members were requested to join the session and evaluate all the applicants as third parties. Coordinator hosted the session and asked questions on behalf of the panel. After the interactive session. Committee members unanimously finalized the names for each category after the healthy discussion. The names of the winners are as follows.

Winner in Category 1: Chanakya Awards for Best Teacher Trainee

No.	Name of the Applicant	Address and detail of the winner
1	Sood Akriti	Name of Institute: Chitkara College of Education

Winner in Category 2: Chanakya Awards for Best Teacher Educator

No.	Name of the Applicant	Address and detail of the winner
1	Dr. Chandrasenan Divya	Name of institute: Department of Education, University of Kerala

Each winner was awarded a Trophy, Cash prize and a certificate on the 11th Foundation Day Function by the Honorable Governor of Gujarat.

DEVELOPMENT TASKS ACCOMPLISHED BY CENTER OF TRAINING (COT)

New Initiative of University - Internet Radio Station- Teachers' Tune responsibility assigned to CoT

Center Council Established

Beautification Process of Center has started

ACTIVITIES

(A) HUMAN RESOURCE TRAINING DEPARTMENT (HRTC)

- PROFESSIONAL DEVELOPMENT PROGRAMMES: (EEPs)
- 2 days Neurolinguistics Programing training program announced on 20th Sept 2020 & 21st Sept 2020. There were 15 participants.

Date	Name of the Applicant	Address and detail of the winner
20th Oct,2020	Neuro Linguistic Programing Foundation	Mr. Prakash Detroja, Life Coach and NLP Expert
21st Oct,2020	NLP Models	

- 5 days CorelDRAW Graphics Training was announced and participation was invited. There were 14 participants

Date	Name of the Applicant	Address and detail of the winner
27th Oct,2020	Introduction to Tools of CRDW and Visiting Card Design	Ms. Bhumika Bhavsar Professional Expert of Graphic Designing
28th Oct,2020	Logo and Letter Head Designing	
29th Oct,2020	Certificate Designing & Brochure Designing	
2nd Nov,2020	Brochure Designing	
3rd Nov,2020	Calendar Designing	

- 5 days STEM based Science Workshop was announced and participation was invited. Mr. Vishwas Prajapati, TechMaker Founder and his team were present as the Experts of the workshop. Topics covered in the training workshop are Introduction to STEM techniques, STEM kit, How to use those kits prepared according to standard and they gave a demo of various topics covered in science curriculum of Std 7,8,9 of CBSC board. There were 16 participants.
- 2 days Stage Speaking Skills training program announced on 29th & 30th April 2021. Ms. Radha Mehta, renowned Public Speaker was an Expert Resource Person. There were 11 participants.
- 2 days Understanding the SELF with Johri Window training program announced on 26th & 27th June 2021. Dr. Deepti Oza, Prof. MS University, Baroda was an Expert Resource Person. There were 13 participants.

PROFESSIONAL DEVELOPMENT WORKSHOP FOR UNIVERSITIES AND COLLEGE ADMINISTRATORS:

- 6 days Administrative Training on Roles & Responsibilities of Clerks was announced during 13 January 2021 to 18 January 2021. It was in house training for newly appointed staff at IITE administrative wing. There were 10 participants.

Date	Topic	Resource Person
13 January 2021	Introduction of IITE	Dr. Himanshu Patel
13 January 2021	General Filing Process and Documentation at University	Dr. Madhusudan Makwana
14 January 2021	Registration Department Roles	Mr. Vimal Shah
14 January 2021	Academics Department Roles	Mr. Nirav Vyas
15 January 2021	Estate Department Roles	Mr. Jatin Chavda
15 January 2021	Exam Department Roles	Mr. Aniruddhasinh Parmar
18 January 2021	Finance Department Roles	Mr. Vitthal Patel
18 January 2021	Establishment Department Roles	Mr. Amit Singhala

COUNSELLING STUDENTS AND PARENT'S COMMUNITY WORKSHOP

1. 5 Days Training Workshop "Be the Creator of Your Own Life" announced from 3rd May 2021 to 7th May 2021. Mr. Prakash Detroja, Life Coach was the Resource person for the training workshop. There were 11 Participants.

(B) GURU DRONA SKILL DEVELOPMENT CENTER (GDSDC)

• SKILL COURSES FOR IITE STUDENTS

- The Department is offering 11 skill courses to all IITEians but due to Pandemic Skill Department has offered 4 Skill courses
 - ICT: Equip future teachers with latest technological skills (31 Students Enrolled)
 - DIPTI: Develop integrated personality of a teacher with sense of responsibility for nation (64 Students Enrolled)
 - Painting: Improves classroom creativity (21 students enrolled)
 - Music: Voice Modulation and improve focus (32 students enrolled)

• SKILL WORKSHOPS ORGANISED BY DEPARTMENT OF SKILL

- 4 days Online Music Summer Camp was announced and participation was invited. There were 2 participants. It was organized from 27th to 30th May, 2021. Mr. Amit Barot, Assistant Professor Performing Arts, IITE was the Skill Expert
- Stress Buster event Sur Sandhya, a musical evening organized on 30th May 2021 under the Coordination of Mr. Amit Barot, Assistant Professor Performing Arts, IITE. Many students and faculties participated in the event.
- 4 days Online Painting Workshop was announced and participation was invited. There were 2 participants. It was organized from 19th to 22nd June 2021. Mr. Yogesh Pawar, Assistant Professor Fine Arts, IITE was the Skill Expert.

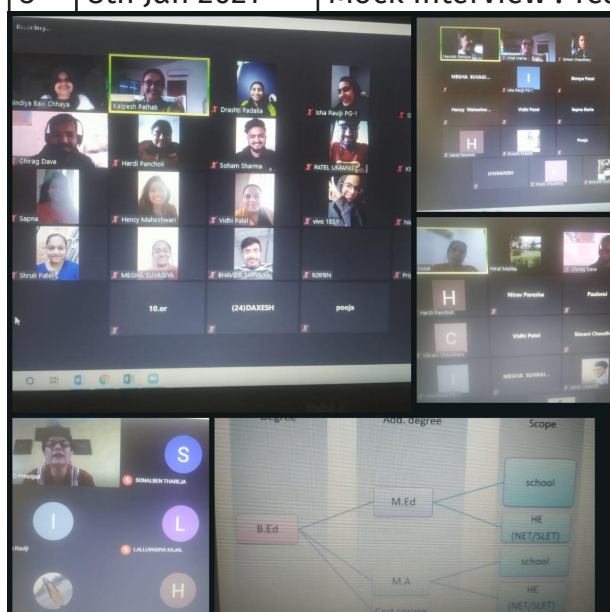

(C) ACCOMPLISHING DREAMS OF INDIAN TEACHERS AND YEARNING ADMINISTRATORS (ADITYA)

• Online Placement Training

CoT, IITE has launched ADITYA-The Placement Portal in the month of March. Though the pandemic situation was there we have 13 Schools and 35 Students registered on Placement Portal ADITYA. For those registered students CoT has organized a 5 days 10 Hrs Placement Training from 4th January 2021 to 8th January 2021.

Schedule of the training was as follow

No	Date	Topic
1	4th Jan 2021	Soft Skills : Ms. Bindiya Bakshi
2	5th Jan 2021	Effective Online Class Taking Techniques : Mr. Abhijit Sonagra Roles & Responsibilities of Today's Teacher: Dr. Raji Prasad
3	6th Jan 2021	Power of First Impression: Mr. Nandak Pandya CV Writing : Mr. Vasim Qureshi
4	7th Jan 2021	Opportunities in Education Sector: Dr. Kaushal Yadav Post Covid Educator: School outlook – Ms.Meeta Mehta
5	8th Jan 2021	Mock Interview : Team COT

HRP

- Placement Fair 4 in Blended Mode**

Placement 2020-21 was held at IITE, Gandhinagar on 2nd March 2021. Due to pandemic placement camp was organized in blended mode. Total registration of Schools was 13 and Students was 35 on ADITYA Placement portal. The Placement Department did follow-up and sent them follow-up emails to ask them for vacancies. Also had placement training for students who were registered on the portal from 4th January to 8th January 2021.

Invited Schools & their Representatives

1	Dehgam International School	Online	Ms. Sona Amin: Director, Ms. Meeta Mehta : Principal
2	Shree Mahavir Jain Charitra Kalyan Ratnashram	Offline	Mr. Hiren Bhatt: 9328169988 , Mr.Dinesh Kanani,Mr.Rohit Sanghvi,Mr.Tushar Jani
3	Pragati School,Maninagar	Offline	Shailendra Yadav: 9978328990 , Ranjeet Khatri: 7874700730
4	Podar International Schools	Online	Mr. Ravi S ,Principal
5	Tripada Gurukulam English School	Online	Mr.Hiren Joshi
6	Kameshwar International School	Offline	Sanjay Sir, Jesal Sir,Shayanee Maam
7	Earthkids Humanity Foundation	Offline	Mr. tarun Kumar -CEO, Ms. Shabana Jindal- Recruitment Head ,Mr. Tirtha Karmakar- Project Head
8	Tirth International School, Limkheda	Offline	Mr.Kalpesh Shah

From that 8 Schools and 13 Students turned up for the placement process. It started on morning 9.30 am with the inauguration function at IITE Campus. After inauguration schools were assigned rooms for the demo lesson. After demo lesson schools had shortlisted the candidates and took their interviews post lunch. After the Interview process, schools shortlisted the candidates as per their requirements. Shortlisted candidate's list is as follow

Podar International School

- Deepa Mishra
- Drashti Padaliya
- Hardi Pancholi
- Priya Patel
- Umang Patel
- Simani Choudhary

Pragati

- Drashti Padaliya
- Hardi Pancholi
- Priya Patel
- Isha Raulji
- Earth Kid
- Drashti Padaliya
- Isha Raulji
- Annapurna Zala
- Priya Patel

Tirth International

- Soham Sharma
- Nirav Paresha

- Umang patel
- Priya Patel
- Drashti Padalia
- Daxesh Panchal
- Mahavir Jain
- Umang patel
- Nirav Paresha
- Daxesh Panchal
- Soham Sharma

Kameshwar International

- Deepa Mishra
- Drashti Padalia
- Hardi Pancholi
- Priya Patel
- Umang Patel
- Annapurna Zala
- Isha Raulji

From the above shortlisted list of candidates we can say that 77% placement offers we received out of which only 2 candidates are eligible for doing further job Ms. Annapurna Zala & Miss Deepa Mishra. Rest students are preferring to continue with their studies of Masters.

HRP

(D) Teachers'Tune – Internet Radio Station of IITE

- Teachers' Tune, an Internet Radio Station of IITE had launched on November 19, 2020, the auspicious day of Gyan Panchami.
- It is a unique initiative of IITE as it promotes talents and skills of learners, develops community values and establishes a new gen learning environment by broadcasting educational programs which revive indigenous knowledge systems premised on rich oral traditions, culture and heritage and benefit the students and general public globally.
 - Device a process of Execution which includes following Tasks.
 - Co-ordination & Confirmation
 - Planning & Sharing
 - Designing & Video Making
 - Scheduling
 - Social Media Promotion
- Apart from above tasks Team TT used to brainstorm on launching new segments, increasing TT hours, bringing new orators, Segments and RJs from all our affiliated colleges.

- Launched from the IITE campus, the new tune of learning and teaching is making waves today with more than **47000 listeners 26000+ Listening Hours in more than 25 + countries and 280+ Cities of India. Completed 8 months with 220 Episodes, 1000+ Assorted Segments, 31 Nonstop RJs Efforts, 100 + Vivid orators, 75+ Ingenious Students.**

Survey on Online Education in Gujarat

One of the 5 Sankalpas initiated by the Hon. Vice Chancellor of IITE, Dr Harshad Patel sir on the 10th Foundation Day Celebration of IITE, was 'Survey on Online Education in Gujarat' that can become 'path enlightening' to the whole of the school education system of Gujarat that was struggling in the Pandemic era. The responsibility of this challenging task of CoR was shouldered by Dr Sudhir Tandel, Associate Professor and Deputy Director of CoR, IITE and Dr Nishant Joshi, Assistant Professor and Head, Department of Research in Education, Languages, Sciences and Social Sciences. This was perhaps the biggest inclusive survey on Online Education in the Schools since it recorded views, opinions and suggestions of 300 stakeholders of school education in Gujarat on various aspects of Online Education such as curriculum, pedagogy, physical resources, teacher training, assessment and evaluation, time table and issues related to students, parents, teachers, principals and school management. It encompassed the data from 60 renowned educationists, 60 principals, 60 parents, 60 teachers and 60 management authorities across all the districts of Gujarat covering government, grant-in-aid and private educational institutions situated in rural, urban and municipal corporation areas of Gujarat. The Research Report of the Survey on Online Education was launched by our Honourable Education Minister Shree Bhupendrasinh Chudasama and State Education Minister Smt. Vibhavariben Dave on the 3rd Convocation Day Ceremony of IITE on 24th December, 2020. The report will be soon available to all the stake holders in the form a book titled as "A Study of Necessities and Provisions for Online Learning".

THE INDIAN EXPRESS, MONDAY, JANUARY 25, 2021

3 GUJARAT

RESEARCH BY INDIAN INSTITUTE OF TEACHER EDUCATION

Online education should continue even after pandemic ends: Study

BY IITV SHARMA

EVEN AS Indians start to return to an internet connectivity and normalcy after the easing of movement restrictions by a team of faculty at Indian Institute of Teacher Education, Gandhinagar, it has concluded that online education should be continued even after the pandemic is over.

The study to assess the impact of online education in Gujarat at school education was conducted by a team of 15, with two associate professors from the Gujarat Institute of Education. The study was conducted between July 2020 and July 2021.

"There were various issues such as internet connectivity but many cases, especially in poor primary or lower primary classes, suggested that online education should be continued even after the Covid pandemic is over."

In addition to students and parents, who are also a new region that there should be a mix of online and offline education," said Prof. Nishant Joshi from IITE's department of education.

The study involved over 300 students, parents, teachers and school principals representing rural and urban areas, government, private and self-financing schools from IITE's department of education.

The study also involved over 300 students, parents, teachers and school principals representing rural and urban areas, government, private and self-financing schools from IITE's department of education.

The study also involved over 300 students, parents, teachers and school principals representing rural and urban areas, government, private and self-financing schools from IITE's department of education.

Completion	4,351	4,351	4,351

to adapt the online teaching process," the report concluded. Prof. Joshi added that the study points out the need for enhancing discipline and changing the learning habits. From the feedback and analytical data, it was revealed that the process of transformation from face-to-face teaching mode to online learning should be more gradual, slow and progressive. Online learning should be more of a tool to enhance the objectives of teaching, knowledge, but cannot be the only mode of learning. It is suggested to achieve other objectives, "he said."

The analysis of data revealed that majority of students have shared that the online teaching facilities available in schools are not as good as in private schools. They also suggested that the curriculum for online teaching should be short and activity-based.

Teachers need to be trained for online teaching and assessment.

Similarly, teachers' responsibility to ensure parents to take online learning mode seriously is also highlighted.

On the infrastructural facilities, Prof. Joshi said, "The success of online learning depends on many factors like internet connectivity, device availability, and digital literacy. The study also pointed out that the online learning mode is not suitable for all students. The study also pointed out that the online learning mode is not suitable for all students. The study also pointed out that the online learning mode is not suitable for all students."

This year the Center of Research also contributed to i3T (Integrated Test for Teacher Trainee) in terms of the Test Item Analysis as well as results analysis for the further improvement of the test.

SSIP Inauguration Programme and a State Level Expert Talk

On 12th December, 2020, a grand inaugural ceremony of the Student Startup & Innovation Policy (SSIP), a separate department of CoR at IITE, was organized at Indian Institute of Teacher Education (IITE) Campus, Gandhinagar in the presence of Hon. Education Minister Shree Bhupendrasinji Chudasama. Dr D. D. Mandaliya delivered an inspiring expert talk to all the principals of education colleges and other participants of the function. On 16th March, 2021, a webinar on "Inclusive Innovation in Education" was organized in which the expert Prof.(Dr) Harish Hirani delivered the expert talk. These programs were coordinated by Dr Raviraj Rajpura, Associate Professor and Head of the SSIP department, CoE, IITE.

Online Workshop

The Department of Research in Education, Languages, Sciences and Social Sciences, CoR organized an online workshop on Writing Scientific Research: An Orientation to Referencing Styles. Dr Urmi Satyam from Pandit Deendayal Petroleum University, Gandhinagar and Dr Priyanka Kacker from National Forensic Sciences University, Gandhinagar were the experts of the workshop. In total, 72 participants from various disciplines participated in the workshop. The workshop was coordinated by Dr Deep Trivedi, Associate Professor, Indian Institute of Teacher Education.

State Level Webinar

A State Level Webinar was organized on Resources for Research Grants by the Department of Research in Education, Languages, Sciences and Social Sciences, CoR, on 15th June, 2021. Dr H. B. Patel, Dean, School of Education, Central University of Gujarat was the expert of the webinar. In total, 32 participants across the country participated in the webinar. The webinar was coordinated by Dr Nishant Joshi, Assistant Professor, IITE.

Other Miscellaneous Work

In addition to these programmes and activities, the center also conducted many in house activities such as preparing the brochure of the CoR, making presentations of CoR in the Know and Engage Your System (KEYS) Programme, motivating the faculty of IITE for the Research Projects, planning activities for the next academic year etc.

Center of Education

1. Orientation of programmes

To begin the fresh new year an orientation program was held online with all the students and faculty members of CoE. The main agenda of this program is to welcome all the students, introduce the University and Center of education to the freshers by virtual tour, brief them about their program, courses, curricular and cocurricular activities, examination pattern, introduction of faculty members to the students, solve the queries and curiosity of students if any, etc.

2. Curriculum framework

The whole curriculum of all the programmes of CoE was revised thoroughly by experts and respective faculty members. Many major changes in the scheme and content of the course is done. The meeting of the Board of Studies for each subject was held twice or more as per the requirement and all the members have interestingly gave their suggestions to improve the quality the course. Center has accepted their suggestions and finalize the curriculum and submit it to the academic department of the university.

3. Curricular Activities

(A) Online Teaching and Learning

Salient Features

 <p>Regular Topic updates on Website Link of the time table shared with all faculty so they can mentioned the topic name to be taught next day</p>	 <p>Practice Teaching and Practical Proper care taken for the effective implementation</p>
 <p>CCE take twice CCE was conducted two times to give change to the students for improvement</p>	 <p>Reading Material and Question Bank Students are provided Reading material and Question bank through Google classroom</p>
 <p>Online platform Regular six hours time table followed through online platforms like MS Team and Google Meet, Zoom etc.</p>	 <p>Parent Teacher Meeting Every year Parent Teacher Meeting is organized to discuss the progress of the students</p>
 <p>Various Activities Various competitions and Activities done online</p>	 <p>Student Support Faculty members always guide and support students as per the need</p>

HRP

Throughout this the complete teaching learning procedure was held online except for one month only. All the faculty members used to take classes through the applications like Microsoft Teams, Google Meet, Zoom Cloud meeting, etc.

(B) Class Attendance

All the classes of CoE has semester incharge and they used to maintain daily record of attendance and submit the same to the head of the department every month.

(C) Time Table

Center of Education has a practice to maintain a complete semester time-table for every semester and it used to publish on the iite website everyday with the topics taught by every faculty.

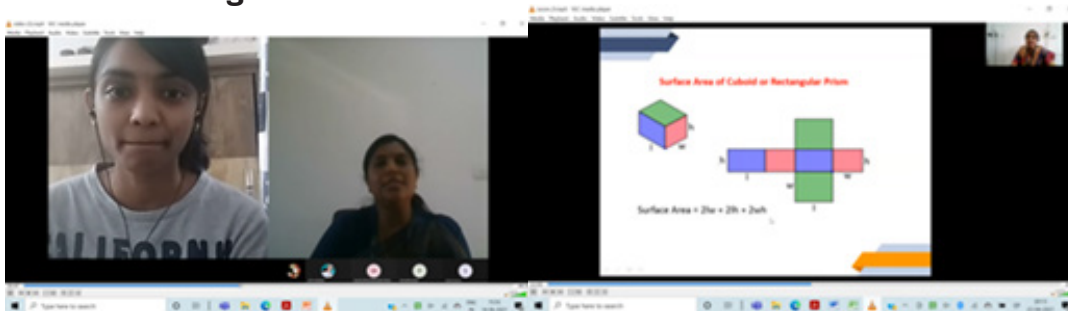

(D) CCE Examination

CCE 1 and CCE 2 were conducted online through Google classroom by the subject teachers.

(E) Preliminary Examination

Preliminary Examination of odd semester was held online through Google classroom and for the even semester it was conducted through an application in June- July.

(F) Practice Teaching

HRP

Students of UG semester 6 have given the online stray lessons of their first method. Orientation and demo lessons were arranged for that by respective teachers. After that they have prepared the lesson plan of the allotted unit and execute the plan according to school time table. They have executed total 6 lessons and observed 12 lessons of their group members.

(G) Internship

Students of UG 4 have visited the school for their school experience as a part of curriculum and they observed various lessons of the school teachers. They also observed the various activities of the school as well as the various infrastructure of the school. As per given format they all prepared a report for the same and presented it in the group. Every student has visited at least three school within a week and

shared their experiences in front of the group.

Students of UG 8 have visited the school for their Internship for one month. They have done the peer group teaching, action research, observation of school facility as well the various registers of school which was maintained by the principal. This is the experience by which they understood the role of teacher in day by day schooling. They prepared the report of all the activities done in the school.

Co-Curricular Activities

(A) Assembly:

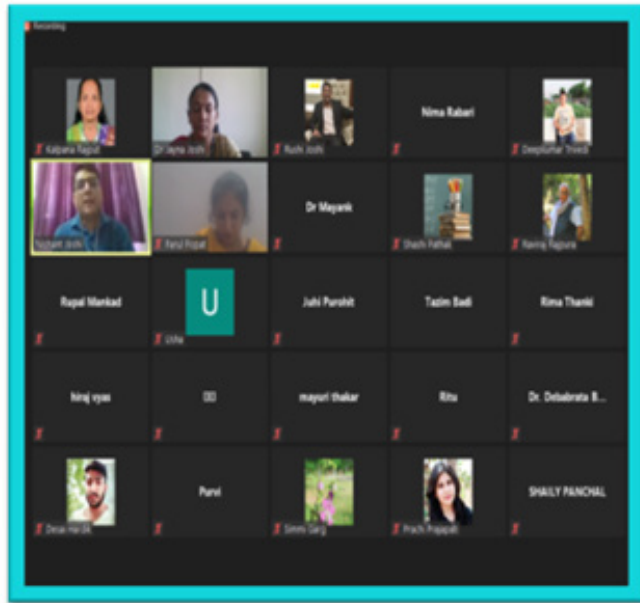

Everyday in the morning at 8:00 am to 8:40 am, online Assembly is conducted through Microsoft team. It starts with university song followed by prayer, student's activity, science talk, NEWS etc.

HRP

(B) National Webinars organized by CoE

Centre of Education has organised various webinars in the subjects like Education, Mathematics, Physics, Chemistry, Life science, etc. All the webinars were conducted by respective department of CoE.

HRP

(C) Teaching as a profession- FB live sessions

“Teaching as a profession” programme was organized by CoE, IITE on 7th- 12th June, 2021. Dr. Kaplesh Pathak, Dr. Jayna Joshi, Dr. Viral Jadav, Dr. Sudhir Tandel, Dr. Prerana Shelat and Dr. Mehul Dave were the experts who made these sessions very informative and interesting.

HRP

Visit to CCC 2.0

A visit was organized on 14th of June, 2021 to Command & Control Center (CCC 2.0) of Government of Gujarat, where CoE staff had spent around 3 hrs and visited different departments of CCC 2.0. Their live session of teaching and broadcasting was ongoing, they gave information about their work and their future plans in the direction of betterment of education quality.

(D) Science Day Celebration

Every year, National Science Day is celebrated on February 28, to mark the discovery of the Raman effect by Indian physicist Sir C V Raman, back in 1928. For this discovery, Sir C V Raman was awarded the Nobel Prize in Physics in 1930. Under CoE, Students of Science field had participated in it. Elocution and Quiz competition were held.

(E) 2nd Teaching Skill Competition

To motivate teachers trainee “Teaching Skill Competition” was organized by CoE in the month of January 2021. where trainees had participated and the winners were awarded with prize by honorable Vice Chancellor, IITE.

(F) Sports Meet

The 9th Sports Meet of IITE was held on 13th of March 2021 at Transtedia, Kankariya, Ahemdabad. The chief guest for the ceremony was Shree Vivek Patel, (Industrialist), Chairman, Kridabharti, Gujarat and GSAA. And the guest of owner was Dr. T. S. Joshi, Director, GCERT. The president of the ceremony was Dr. Harshad Patel, Hon. Vice Chancellor, IITE. invited by Dr. I. V. Patel, Chairman, Sports Meet and IITE Parivar, It was specially supported by the principal of the CoE Dr. Kalpesh Pathak. Students enjoyed engaging themselves into this sports meet and be a part of such a ceremony of the institute.

7. Presentation of CoE in KEYS

A presentation of functionaries at CoE and faculty members details was prepared and it was presented by the Deputy Director of CoE to all the family members of IITE in the program Parichay Parivar No 2.0 held on 07-19 June, 2021. All the departmental details and activities carried out by CoE were included in the presentation.

8. Participation in NAAC

All the faculty members of CoE were the members of the NAAC Sub-Committee formed by the University. Under the guidance of the chairman of the committee all the faculty members were working constantly in various criteria of NAAC. During the initial preparation for NAAC, an Orientation Program of NAAC was organised by IITE and everyone participated actively and after the orientation completed all the staff members used to meet everyday for an hour to discuss the difficulties faced, to understand the requirement of NAAC, how and from where data can be collected and guidance for further work.

9. Staff Meeting

All the departments of CoE have scheduled the staff meeting everyday and it was very well planned not consuming much time of faculties. Even in the pandemic situation the staff meeting was held online to get updated with all the curricular and other activities done by faculty members. It was very fruitful and many problems or difficulties were solved for smooth functioning of the center. After completion of everyday meeting, the Minutes of the Meeting is to be submitted to the director of the center.

10. Contribution of CoE Faculty members

Many of our faculty members are participating actively in the University initiatives in the various forms like working for Angira, Shiksharth, Teacher's Tune, Sutirth, Teaching as a Profession- Facebook live, NAAC, etc.

M. A. (Education)

The academic session for the present year commenced on November 06, 2020. In total 70 students were admitted as per the criteria decided by the Department. In the semester – 1 Students were taught five papers of total 18 credits. They were taught papers like; Sociological Foundations of Education, ICT in Education, Methods of Research in Education

– 1, Value Education and Preparation and Presentation of Research Proposal. During the semester they were given different assignments in respective subjects.

Semester – II also commenced on November 06, 2020. Total 47 students were enrolled for the course during the semester. They were taught; Philosophical Foundations of Education, Psychological Foundations of Education, Teacher Education, Guidance and Counselling and Dissertation (Tool Development). In both the semesters online classes were conducted. Classes were conducted by the senior teacher educators from the center of teacher education of the University. Subject experts were also invited from the different University departments and colleges for both the semesters.

Department encourages the research students to explore their areas of interest by offering a substantial amount of guidance and support in terms of expertise and resources. As a result, the research students of the present academic year have undertaken projects in various academic fields of education. To facilitate their research work in the most efficient way, the Research Committee suggested the students submit their Research Proposals, which, in turn, were discussed with them and the focused research problems were finalized. As proceeding of this meeting with students, the Committee decided the allocation of research supervision for the individual researchers.

The students of both the semesters have always been encouraged to participate in numerous academic activities. They participated in a one-day workshop on Universal Human Values ‘Shikshan ane Vyavastha na Manviyakaran ma Samaj ni Bhumika’ organized by the department on 14th February 2021.

Their internal exam was scheduled in the month of April and by the end of the same month an external exam was conducted. Due to pandemic the external exam was conducted online for both the semesters. From semester – I total 58 students appeared in the exam and from semester – II total 37 students appeared in the exam.

Certificate Courses:

During this academic year total 23 certificate courses were offered by the department and a total 734 students enrolled in the various certificate courses. The following certificate courses were offered during the academic year:

Sr. No.	Certificate Course	No of Enrolled Students
1	School Management	175
2	Educational Management and Evaluation	17
3	Educational Statistic	19
4	Inclusive Education	11
5	Primary Education in India	61
6	Introduction to Research in Education	15
7	Introduction Sociology of Education	08
8	Guidance and Counselling	21
9	Educational Supervision	40
10	Text Book Development	22
11	E-Content Development	72
12	Computing Education	09
13	Special Education	20

Sr. No.	Certificate Course	No of Enrolled Students
14	Yoga Education	40
15	School Leadership	54
16	Drama in Education	11
17	Gandhiji in Education	12
18	Vedic Mathematics	20
19	Sports and Physical Education	08
20	Psychology of Personality Development	23
21	Early Childhood Care and Development	19
22	Multimedia in Education	20
23	Measurement Evaluation	18

These certificate courses were offered in online mode by the course in charge. Students were assigned different assignments. 58 students appeared in the dual certificate course. Their exam was conducted in the month of April 2021.

Semester – II of the M. A. (Education) was commenced on 07th June 2021. There are total 58 students. The semester contains 20 credits. The senior teacher educators from the IITE are offering their services in respective subjects. The department is planning to assign all the assignments during the month of July and August 2021 and will conduct the final exam in the month of Semester 2021.

National Service Scheme (NSS)

1. Orientation of NSS for students of IITE

To introduce the National Service Scheme (NSS) cell of the University and college level to the students of IITE, Program Coordinator Ms. Darshana Likhada has conducted one session in the assembly of CoE on 26/09/2020. Almost all the students of CoE were present including all the faculty members. The main agenda of that session was to introduce the scheme, the mission of the scheme, how it works, the activities carried out in the scheme, who and how can enroll as a NSS volunteer, etc. It was very informative and all the students have actively attended the program and all the queries and curiosity of the students were solved too.

2. NSS Volunteers Enrolment

After successful orientation of NSS, the Program Coordinator has asked all the NSS units to proceed for enrolment of volunteers for the year 2020-21. The procedure was carried out in the month of August, 2020. The enrolment details are as follows,

Total NSS units of IITE: 21 (19 DIETs + 2 units of CoE)

Total number of enrolled volunteers: 979

Total number of Boys enrolled: 354

Total number of Girls enrolled: 625

3. Road Safety Survey Activity

With reference to the letter No. GUJROSA/Awareness/423 dated 16/10/2020 from the Road Safety Commissioner Shree L. P. Padalia for 'awareness and road safety education to be imparted to the students of the colleges/University', a small survey was held online by NSS

cell among students and faculty members of IITE. A large number of people have willingly participated in this survey. The main aim of this survey was to know how many are holding valid driving license, following traffic rules, wearing safety gears, etc. as mentioned in the referred letter. A brief analysis of this survey includes the points like; more number of females have responded than males, average age of participant is 21 years, the majority possess valid driving license, also follows the traffic rules like over speeding, wrong side driving, red light jumping, and wear safety gears like helmet or seat belt. It is also noticed in the responses that a lack of awareness of driver is more responsible for road accidents according to the participants. It was also asked if they have any strategy for traffic management, almost everyone has written their thoughts very nicely. It mainly includes, the traffic rules, speed limit criteria should be followed strictly, road maintenance, intelligent traffic signals installation, a subject on road safety and awareness should be included in higher secondary studies, etc.

The report of the same was also sent to the Road Safety Commissioner on 06/11/2020.

4. Revised NSS University Advisory Committee

The University advisory committee for NSS was first formed in February, 2020 and it was revised in the month of May, 2021 as per the common structure of other University advisory committees of IITE.

5. Introduction of NSS in KEYS

Parichay Parivar No 2.0 'KEYS' was organized in the month of June, 2021. To introduce the NSS Univeristy cell in this program, a presentation was prepared by Program Coordinator-NSS and presented under SSCW department of IITE on 12/06/2021 to all the stake holder of IITE.

6. World Environment Day Celebration

HRP

It is well said that, 'Let us nurture the nature and so that we can have a better future'. The World Environment Day, an occasion to contribute something for our mother nature. On this World Environment Day 2021, Indian Institute of Teacher Education (IITE) Gandhinagar organized an appreciation program with very unique idea to appreciate the best school/s of Gujarat state having reach garden area maintained by school faculties. The program was organized by the National Service Scheme (NSS) cell of Student Support Culture and Welfare (SSCW) department and coordinated by Ms. Darshana Likhada. We received total 162 entries within the deadline from all over the state. The scrutiny committee have selected 5 Best Schools fall in selection criterion and fulfilling the purpose of our program, and these

schools are;

Antroli Green School, At-Antroli, Ta. Dahegam, Dist. Gandhinagar

Sarodi Primary School, At-Sarodi, Ta. Than, Dist. Surendranagar

Sisodra (arak) Primary School, Ta. Jalalpore, Dist. Navsari

Shree Merupar Pay-centre School, Ta. Halwad, Dist. Morbi

Shree Satapar Vadi Shala-4, At. Satapar, Ta. Kalyanpur, Dist. Devbhumi Dwarka

IITE appreciated all these 5 schools with certificate and prize amount for decorating school campus with greenery and contributing to the environment. Team IITE congratulated all the schools and also requesting everyone to help a little to nurture our nature.

The article of this activity was prepared by the Program Coordinator and sent to publish in Sutirth.

NCC Activities of the Academic year 2020-21

The national cadet corps in the university plays a credible role in shaping the character of students by inculcating the values of patriotism, service, discipline and hard work. One infantry company of NCC functioning in the college which authorised total strength is 50 SW cadets. Cadets enrolled online based and were given online theoretical knowledge and participated in different activities, community development programmes, vaccination awareness program, Ek mai so ke liye, ayushman bharat, constitution day, environment day and international yoga day. The NCC of the university comes under 1 Gujarat Girls Battalion NCC, Ahmedabad Group of Gujarat NCC Directorate.

Achievements

- Cadet Pragyan Sandilya selected for SSB coaching.
- The year 2020-21 NCC first year Cadets selection process was based on orientation given about NCC activities by zoom meeting and data collected through google form about achievements in competitions, sports, cultural activities and running capacity.
- On the 5th of June celebrated world environment day: plantation was done.
- During 21st June 2020 NCC Cadets had celebrated international yoga day with the family by doing yoga and clicked photos on different postures of asanas and made the video and given a message to the society about how yoga is beneficial for mental and physical development.
- In the Fit India event, cadets ran walked and calculated their distance covered and made video.
- NCC Cadets had taken part in the movement of Swatch Bharat Abhiyan, parade on cleanliness Awareness and Tree Plantation.
- Independence Day was celebrated by the National Cadet Corps on 15th August 2021, in the university. The Vice-Chancellor Dr. Harshad Patel hosted the National Flag during the event and cadets did piloting and gave salute to the flag.
- Republic Day was celebrated by the National Cadet Corps on august 26 January 2021 in the university. The Vice-Chancellor Professor Dr. Harshad Patel hosted the national flag during the event and cadets have done piloting and given salute to the flag.
- Hemanshi Priydarshi was awarded the Rank of Senior under Officer (Golden Rank) and

- Pooja Maheshvary was awarded the Rank of Under Officer by 1 Gujarat Girls Battalion.
- On The 3rd Convocation of IITE, two NCC Cadets salute and pilot to honourable Education Minister Bhupendrashinh Chudasma.
- 23 cadets have participated in CATC Camp of B and C certificate (annual training camp) of the year 2020-21.
- On 26th July NCC Cadets and all the college students celebrated Kargil Day by attending webinar and performed dance.
- The classes were conducted online as per the prescribed syllabus framed by National Cadet Corps
- On 25/06/21 cadets had given C certificate practical examination and on 27/06/21 written examination.

Our cadets have successfully participated & executed through the online mode in many events:

- Constitution Day
- Ayushman Bharat
- Vaccination awareness
- Ek mai so ke liye
- Interaction with ex-Serviceman
- Interaction with corona worriers
- Visit of Old house to make an aware senior citizen
- Card making on Kargil Divas

Cadets Appeared for B & C certificate Exam:

- Total of 02 cadets appeared for B – Certificate Exam on 8th June 2021 conducted by 1 Gujarat Girls Battalion, Ahmedabad at Indian Institute of Teacher Education.
- Total of 13 cadets appeared for C – Certificate Exam on 8th June 2021 conducted by 1 Gujarat Girls Battalion, Ahmedabad at Indian Institute of Teacher Education.
- In the first-year total of 18 Cadets enrolled. In our institute total of 44 NCC Cadets enrolled out of authorized 55 cadets strengths.
- NCC camps play a vital role in national integration through coalescing living among varied caste, creed & culture. The ultimate aim of this organization is to blossom leadership, comradeship, courage, sportsmanship and ideals of selfless service.

A.N.O :

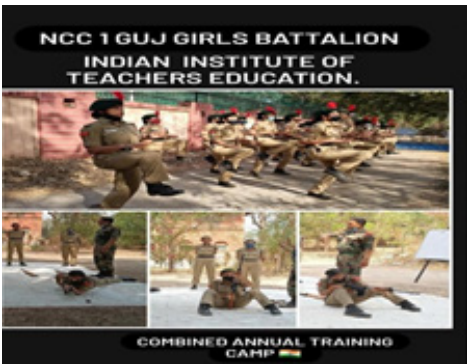

- Attended 3-day orientation program organised by NCC Gujrat, Girls 1 Batalian about enrolment of students for NCC
- Attended meeting organised by NCC unit about conduct examination and reporting of activities and plan
- Attended B and C certificate camp
- Draft of NCC manual as per NCC act
- Draft NCC policy of Indian Institute of Teacher Education
- Co-ordination for NCC activities :
 - ◇ B and C certificate examination
 - ◇ B and C certificate Camp
 - ◇ Piloting on Independence day, republic day and convocation
 - ◇ All NCC activities

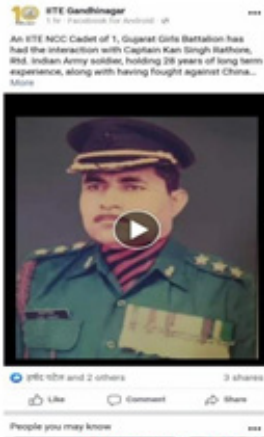

NCC 'C' certificate camp

HRP

4. 'Implementation of National Education Policy-2020 & Teacher Education'

A State-level Seminar on 'Implementation of National Education Policy-2020 & Teacher Education' was organised on 8th February 2021, by the Indian Institute of Teacher Education, Gandhinagar in collaboration with Vidya Bharti Uchha Shiksha Sansthan, India. The seminar was conducted by the Arts Department, Centre of Education, IITE.

The Seminar focused on the Implementation of NEP 2020 and Teacher Education deliberated upon topics like – Governance, Curriculum, 4 – year Integrated B.Ed. curriculum, the problems confronting the implementation of the policy and its solution. In keeping with the government issued guidelines for the Pandemic, only 50 invitations were sent, out of which 40 participants actively participated in the presentation and discussion sessions.

The Seminar was divided into 4 sessions. The first session consisted of the inauguration and keynote address. The session was presided by the Hon. Vice Chancellor, IITE, Dr. Harshad Patel. The Chief Guest of the event was Dr. Nitin Pethani, Chief Secretary, Vidya Bharati, Gujarat State and the Vice Chancellor of Saurashtra University, Rajkot. The Keynote speech was given by Dr. Prakash Agrawal, Principal, Regional Institute of Education, Bhubaneswar, Orissa.

The second session which was the technical session, the third and fourth session were conducted under the chairmanship of Dr. Nitin Pethani, during which 5 participants presented their research papers on the topic of the seminar and a discussion on the problems of implementation of NEP 2020 and its possible solutions. The seminar was concluded by Dr. Pethani with a brief introduction of Vidya Bharati, and summing up of the points discussed in the seminar.

HRP

5. ‘Vasant Panchami’ Greeting cards – a creative initiative by Arts students

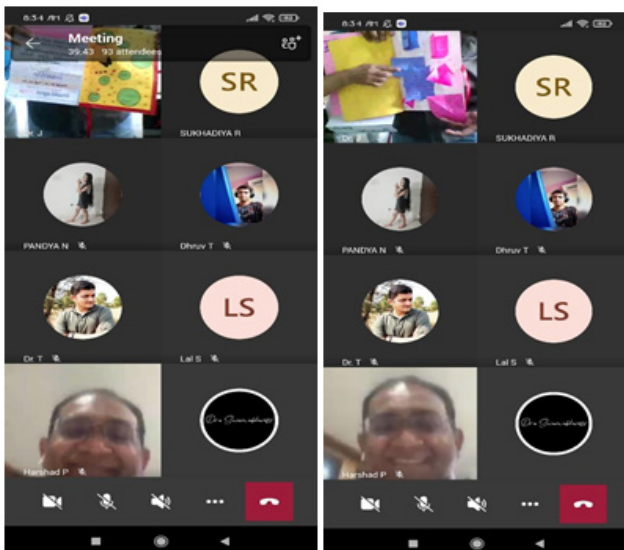

As the University celebrated ‘Vasant Panchami’ the Arts Department found an innovative way to felicitate our visionary leader, Hon. Vice Chancellor, the Registrar, and Dean and Director of Centre of Education with handmade Greeting cards. Hon. Vice Chancellor not only liked the cards but also appreciated the loving gesture of the students by clicking a photo of the cards and sending them to be published in the February issue of Sutirth Newsletter and IITE social handles.

HRP

6. Women’s Day Celebration during Prayer Assembly

The Arts Department has always actively participated in the celebration of all days. While the University celebrated Women’s Day on 8th March 2021 by organizing various events, the Arts Department took the initiative to not only celebrate but also to spread awareness and sensitize the students towards problems faced by women and the necessity to empower them, during the morning prayer assembly. The Student-teachers of Arts department conducted various events like Importance of the Day, Poetry Recitation, Skit, etc. to celebrate Women’s Day. Students of Sem. 2 prepared posters for Hon’ Vice Chancellor to deliver best wishes.

HRP

7. World Sparrow Day

As prospective teachers it is essential to develop awareness about the environment around us for our holistic development. Celebration of various days not only increases awareness of the students, but sensitizes them towards all living creatures around them. With this aim, the World Sparrow Day was celebrated by the Arts department on 20th March, 2021. The students made handmade sparrow nests and put them at places where the sparrows could comfortably make home.

HRP

8. Vaccination Awareness Program held during the Prayer Assemblies from 26th April to 1st May 2021 of Department of Arts, IITE

For the betterment of our society, IITE Gandhinagar has given its best during current COVID19 circumstances. As part of the same services, IITE has been directing various activities under the Vaccination Awareness Program. Daily Morning Assembly is like the most expensive diamond in the IITE's crown. Prospective teachers learn necessary Teaching Learning skills from the Assembly. Making the morning assembly a platform to spread awareness, the students as well as the Professors of Department of Arts, IITE presented truly enlightening activities like, - informative videos, audios, presentations on importance of vaccination and information. They celebrated the vaccination awareness drive from 26th April to 1st May 2021. On 27th April, there was an exclusive prayer assembly conducted by teachers of Art department, which included presentation on awareness and importance of vaccination and story-telling.

Sharing of posters, banners, slogans, poems, experiences and Jingles on various social media platforms, Dept. of Arts, IITE participated vibrantly in this vaccination awareness Programme.

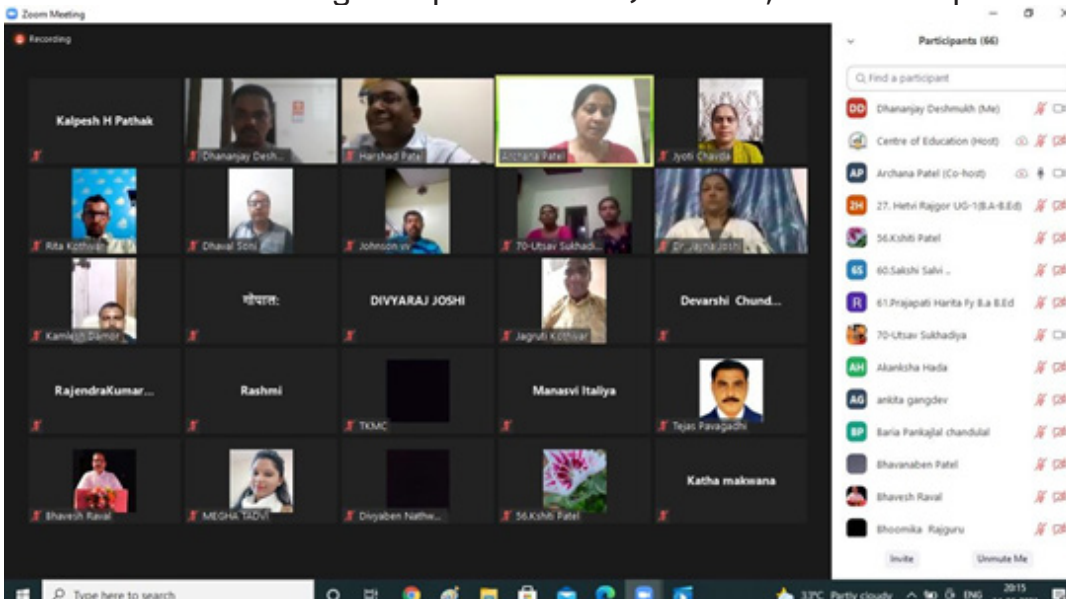

9. Celebration of 'Azadi ka Amrut Mahotsav' by Student Interns of Arts Department

The Internship program of the B.A. B.Ed. Semester-8 students was organised, as a part of practice teaching, in April 2021. As a part of the program, the students underwent internship in various schools across Gujarat. During this period, on the directive of the Hon. Prime Minister, Shri Narendra Modi, 'Azadi ka Amrut Mahotsav' program was initiated. As a part of this program the Semester-8 students conducted various curricular and co-curricular activities in schools under the guidance of Dr. Dipak Chaudhari. These activities included Essay writing, painting, poster making, etc. competitions. All students participated with great enthusiasm in these activities.

10. Parent-Teacher Meeting

A parent-teacher meeting was organised by IITE, Gandhinagar to inform the parents about the progress of their wards, various curricular and co-curricular activities undertaken by the institute for the benefit of its students, and to develop a parent-teacher rapport. The program was scheduled from 14th June to 19th June for various programs and semesters. The B.A. B.Ed. Sem-2 PTM was conducted on 14th June 2021, in which 63 parents participated. The B.A. B.Ed. Sem-4 meeting was held on 15th June 2021, in which 14 parents participated. The B.A. B.Ed. Sem-6 meeting was held on 16th June 2021, in which 13 parents attended. The B.A. B.Ed. Sem-8 meeting took place on 17th June 2021, in which 10 parents attended.

The meetings began by extending a warm welcome to all the parents, University song and a brief presentation of activities conducted by the institute, participation and achievements of students, by the respective class co-ordinators. This was followed by a brief up of the institute's plans for conduction of exam and future teaching-learning activities. The parents were not only invited for discussion but also to ask queries, for which positive and satisfactory answers were given by the Centre Head, B.A. B.Ed. program and the Principal and Director, Centre of Education, IITE. All the meetings were conducted in the presence and guidance of the Hon. Vice Chancellor, Dr. Harshad A. Patel.

PG Department Annual Report

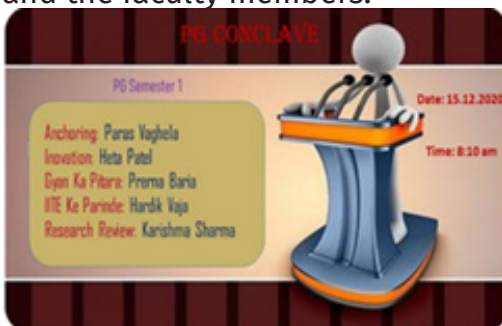

During academic year 2020-2021, various curricular and co-curricular activities were organised to facilitate learning of the post graduate students. The students enthusiastically participated in various activities. Due to Covid-19 pandemic and as per the guidelines of the government, teaching learning process was carried out online as well as online. The glimpse of students' participation in various activities and their achievements are presented in the report.

Conducting PG Conclave

HRP

PG Conclave is the one of activities which performed by the PG students in which they share their knowledge, learning and their creation. In the beginning of the year, as per the government guidelines, online education was provided. So during such situation, to acquaint new students with IITE and know qualities and abilities of each PG students, 'IITE Ke Parinde' concept was introduced. In that each student had shared their achievements and abilities with students and the faculty members.

HRP

Exploring Education as a Research

As PG students they have conducted various experiments to investigate and test concepts of science as well as education. They have successfully completed project work in various interesting emerging areas of science. The project work was carried out in the laboratory as well as outside the science laboratory. Second year students have also designed research proposal and presented it in the forum where students and faculties discussed it with reference to its utility, relevance and technicality of research. The final year students have presented their final research work in the forum where faculties have provided them guidance with reference to its analysis, reporting and other technicalities related to research. Even last year students experienced role and responsibilities of teacher educator during their internship in various teacher education colleges and DIETs. They have explored various components of teacher education by performing various task during their internship. Apart from their academic involvement they have actively participated in various co-curricular and sports activities too.

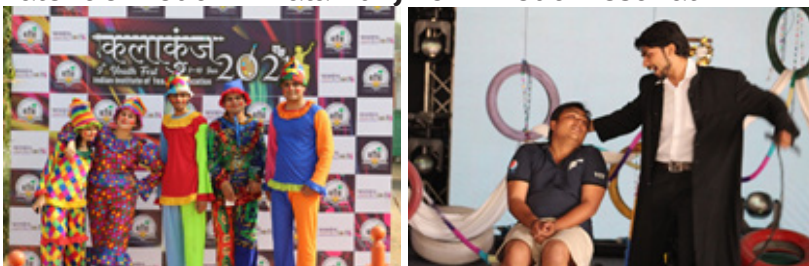

Sportsmanship of PG students

HRP

The Post Graduates have participated in various sports events of university. The equal amount of enthusiasm reflected in various sports events of boys and girls. They have not only participated in various sports activities with sportsmanship spirit but they won prizes in various indoor and outdoor games. The guided and motivated undergraduate students to improve their sports skills and work in team Bhavdip Sarvaiya

Talent of Youth in Kala Kunj 2021- Youth festival

HRP

Kala Kunj is unique features of IITE. Students of all affiliated colleges, DIETs and Centre of Education participates with full of zeal. In this event, students have participated in actively in youth festival of Centre of Education and got qualified for participating in various events of Kala Kunj-2021. They have participated in painting, collage making, mime, skits, rangoli competition,

essay writing, debate and many more. They registered number of prize with their talents in various events of Kala Kunj.

Knocking the door with Teacher's Tune

HRP

Teacher's Tune is one of innovative initiative to reach to learner's community of all age. Many PG students from all semesters performing role of RJ in Techer's Tune. Apart from that some of them have shared movie review, self-created poems, and stories on it

Act as Vigilant Citizen in Vaccination Drive

HRP

Under vaccination campaign, many PG students have taken vaccination along with their family members by acting as responsible citizen of nation to fight against Covid-19.

Shining PG Stars

Participation of PG students not only witnessed within IITE campus but they have spread their shined at state and national level. There are many students who have participated in various workshops, conferences and other competitions at state level and national level. During their academic journey two PG students – Mr. Anshuman Tiwari and Ms. Prakruti Prajapati have cleared their JRF, UGC-NET Examination and Ms. Subhashini S Raman has cleared UGC-NET for lecture.

photo change

Responsible Committee Member

There are many students who are part of various committees at university level. Mr. Anshuman Tiwari, Ms Komal Macwan and Ms. Subhashini S Raman (Check the name as per record) are member of Academic Council. Ms. Drashti Padaliya is committee member of women Development Cell. She has actively contributed in organising various activities for women development within and outside the IITE campus.

The Journey of learning during academic year 2020-2021 was more challenging because of Covid-19 pandemic but fruit of such learning is sweet and always memorable for all.

Kalakunj 2021 (9th and 10th January)

Indian Institute of Teacher Education-IITE is committed to bring quality in all aspects of Teacher Education across the state and nation. The main goal is the overall development of the trainees through a range of curricular, co-curricular and extra-curricular activities. It is inevitable for those who are going to build the future generation to get diverse experiences. The student who has passed through it will shape the future generation with his/her skill.

Indian Institute of Teacher Education is at the forefront of innovative approaches in the field of teacher education. Happily accepting all the struggle during the Corona pandemic, excellent work was done here to keep the morals high. All academic activities like admissions, teaching through online platforms, training, and various other activities were conducted extensively.

After the time of Corona Pandemic, when the government suggested accepting new normal and slowly initiating working towards normalizing education, the youth festival 'Kalakunj-2021' was planned by Student Support, Cultural and Welfare branch under the guidance of Hon. Vice Chancellor sir. Kalakunj is a unique program for the youth to showcase various arts and talents.

The inaugural program was a triune confluence of art, craft and technology. Hon'ble Vice Chancellor Shri Harshadbhai Patel presided over the program. Prof (Dr.) Chetanbhai Trivedi (Hon'ble Vice Chancellor, Bhakta Kavi Narasinh Mehta University, Junagadh) inaugurated the entire event and motivated all the participants with his speech. Shri Jatinbhai Bhatt (Organizing Secretary) and Committee Head Dr. Jumishri Pathak also remained present on stage during inaugural ceremony. Smt. Aditiben Desai (Senior Artist), Organizing Chairman Shri Kishorbhai Nayak (Principal, Shri Rang Shikshan Mahavidyalaya, Bilimora) joined the event online as a guest. Dr Mehul P Dave hosted the event in an interesting manner.

Kalankunj Secretary Shri Jatinbhai Bhatt during his speech happily noted that even in difficult times and short periods, out of a total of 60 colleges affiliated to the University from Daman in the South to Palanpur in north and Dwarka in the West to Godhra in the East, total 50 colleges have participated in the Youth Festival. There were total 595 contestants in this two-day festival in which 16 online and 3 offline competitions were held.

Guest of honor Smt. Aditiben Desai, who has made a unique contribution in the field of art, noticed at the outset that the teacher education is taking a step towards the hope and optimism from pessimism of pandemic. She stressed that it is imperative for the institutions which see education as karma and dharma to do various arts in education. The 21st century is a century of knowledge and technology but with skill and art you can reach a child's heart in a best way than anything else.

Inaugurating the program, Prof. (Dr.) Chetanbhai Trivedi in his motivational speech applauded

the various offline programs of the university during the year and congratulated them for adding one more step. Defining education, he said, “True education develops the mind, intellect and body” and from this point of view, sports and cultural matters become important. He pointed out that teamwork and arts are developed among the youth through the Youth Festival. Taking note of ‘Natya Pancham Vedam’ and ‘LITRETURE IS MIRROR OF SOCIETY’ in his own style, he emphasized the need of arts in education.

The Vice-Chancellor’s address at the end of the inauguration program was really inspiring. At the beginning of the sermon, he remembered the late Shri Kirit Joshi who gave direction to the element and practice of the University. His statement - “Art should be the medium of education” was presented to all. He said that the role of the organizations should be to nurture the generations and this is the work that the university does. He stressed that it is a great thing that a large number of people enthusiastically participated in the youth festival during difficult times. And that way positive energy will be created in future teachers.

After the address of Hon. Vice Chancellor, various online competitions were commenced. In Kalakunj-2021, 25 competitions were held in six sections namely Music, Literary, Fine Art, Theater, Music and Dance in which all the participants participated enthusiastically. Subject matter experts and experienced judges in the competitions meticulously evaluated the activities. Along with making meaningful comments they encouraged them and guided for more quality work in the future.

January 10, 2021 was the second day of Kalakunj. The premises of IITE was adorned with the arrival of participants from the participating organizations as off-line competitions were to be held on that day. The roar of the youth created an exciting atmosphere. Organizing Chairman Dr. Kishorebhai Naik, while describing the experience in his own unique style about the program, said that he was happy that the two-day Rangotsav was overflowing.

The valedictory ceremony of Kalakunj-2021 was held in the presence of Padmashri Shahbuddinbhai Rathod. The program was presided over by Hon’ble Vice Chancellor Dr. Harshadbhai Patel. Hon. Director, GCERT, Dr. T.S. Joshi, Organizing Chairman Shri Kishorebhai Nayak, Registrar Dr. Himanshubhai Patel also graced the function. Conducting the program in a distinctive style, Dr Mehulbhai Dave initiated the program with a prayer.

The chief guest of the program, Padmashri Shahbuddinbhai Rathod, in his distinguished style, initially made observations and humorous remarks about his mood with the youth. It presented the status of youth in life and the wisdom of what they have to do. He asserted that his confession had been obtained through torture. Men are naive and go where the emotion appears. In fact, men are innate artists. What should a teacher look like? Raising such a question, he said that a teacher should be an expert but more importantly, a teacher should be charismatic. Adding further said that the teacher should also be humorous. Sharing the meaning of education imposed in his life, he said that true education is what brings liberation. The result in the whole process of our education was pointed towards ‘Sa Vidya Ya Vimuktaye’.

At the end of the program, Hon’ble Vice Chancellor Dr Harshadbhai Patel expressed his satisfaction that the entire program was successful. It was said that energy is generated by the motion of a particle. He remembered that in his childhood, he played some roles in one act plays. At the end, all the winners were given certificates and prizes. Kalakunj-2021 gave an introduction and recipe of how talented the future teachers are, in different fields in the B.Ed. colleges functioning in different districts of Gujarat.

National CRE Program on, ‘Sensitization and Capacity Building of IE-CWSN organised by COSE CRE Status Accredited by Rehabilitation Council of India (RCI), New Delhi Dates: 18th & 19th February, 2021

Diversity and multiculturalism has increased the challenges in the classroom for a teacher. The learner has become more sensitive and the numbers of learners needing special care is ever increasing. The awareness towards learning disability and the need to address them has seen a steep rise. Therefore, Inclusive Education has become the need of the hour. The second CRE program was organised on 18th & 19th February, 2021. Guest of Honor was Shri. Manoj Agrawal (Additional Chief Secretary, Social Justice & Empowerment Department, (GoG), Gandhinagar, Gujarat.), Key Note Speaker for the program was, Prof. Aloka Guha, Former Chairperson National Trust, New Delhi. Shri. Manoj Agrawal highlighted the role of Social Justice Department in addressing the needs of CWSN. He also recalled his days of SSA and how he has to continuously revisit various documents and reach out to people and policy alike to address the need of Divyangjan. Shri Manoj Agarwal also called upon IITE to prepare an army of special educators. The program was limited to 100 participants only. The program witnessed participants from almost 20 states of India. The program was streamed live on YouTube

Branches of University – Annual activities

Registration Branch

The Registration Branch of Indian Institute of Teacher Education is primarily looking after the conduction of i3T Entrance Test for taking admission in the courses run by the university. Usually the admission process encompasses Entrance Test, Admission Counselling, Primary Eligibility, Enrolment and Registration process for a student to be eligible to take the first semester-end examination.

There are two major events which are being looked after by the Registration Branch. First is the University Foundation Day which is being celebrated on 30th June of every year and the Second is University's Annual Convocation to be held in the month of December every year.

i3T 2020

Due to COVID19 pandemic situation the admission process for total 3384 seats for the academic year 2020-21 began on 30th May 2020 and the applicants were given more than a month to apply online for i3T entrance test. The last date, which was 10th June 2020, was postponed till 18th July 2020 considering the COVID19 pandemic situation and applicants were given more than two months to apply. Even though there was COVID19 pandemic and nationwide lockdown, the university has received total number of 11003 applications as it was decided to offer all 185 taluka places as i3T Entrance test centers. Out of 185 test centers offered, i3T entrance test was conducted on 135 entrance test centers in which total 9931 applicants had taken the entrance test on 2nd August 2020. The USP of the i3T Entrance Test was that almost 12000 units of Face Shield, Face Mask, Hand Sanitizer Sachets and Hand Gloves were provided to all the applicants as well as the personnel engaged in the process by the university. The utmost priority to adhere to the safety guidelines and SOP was being followed while conducting such a mammoth task. One applicant from Amreli, having COVID19 had taken the entrance test as the special test center

was established at the quarantine center with the help of Health Department of the Gujarat Government. Considering the COVID19 pandemic and its adverse effects on the psychology of learner, it was decided that the cut-off marks for i3T Entrance Test shall be lowered as a very special and distinctive case. It was decided that the candidate securing 40% of the total marks in i3T Entrance Test shall be considered for Merit Preparation and Admission Counselling. In order to cater to the need of getting admission in Govt. and GIA colleges, the methodology was developed in such a manner that the maximum applicant can get the admission in Govt. and GIA institutes. The seats were filled by adding the empty seats of the previous method with the remaining method seats and thus making more and more seats available for the students of the methods were eligible students were almost five times the total seats.

 Date: 30/05/2020 Registrar, IITE

Admission Counselling

The next big challenge was to offer admission counselling to all eligible 6500+ applicants who had contested for a total 3384 seats of the courses offered by the university. Considering the COVID19 situation and limited means of availability of transportation as well as safety and security of applicants, the authority has compassionately decided to conduct Online Admission Counselling Process through 35 Admission Counselling Centers from 28th August. The Admission Counselling Process was carried out for more than 17 days having almost 300 to 400 admission counselling and confirmations each day and completed successfully on 19th September. At the end of the counselling, out of total 3722 (3384 +10% EWS) 92% seats i.e. 3437 seats were filled with only 4 colleges out of 59 having less than 50 students per college.

Enrolment and Registration Process

Once the Admission Counselling Process is over the next step is to provide the enrolment number. The students are required to produce a Migration / Transfer Certificate from the previous University/Board to get enrolled in the university. Due to COVID19 pandemic situation many universities across the nation were either working from home mode or working with limited staff and it was not feasible for a student to get Migration Certificate in due time for getting enrolment number. The Decision was taken to get the Affidavit from students reflecting to submit the Migration Certificate before the first semester-end examination and enrolment was generated. All the admitted students of the university were able to fill the examination form and proceed further in their academic career.

 Indian Institute of Teacher Education Schedule of Admission		
આઈઆઈટીઈના સેન્ટર ઓફ એજ્યુકેશન ખાતે ચાલતા અભ્યાસક્રમો (તમામ અંગ્રેજી માધ્યમ) માટેની પ્રવેશ પ્રક્રિયાનું સમયપત્રક		
Date	Day	Course / Subject Method
28/08/2020	Friday	MSc / MA - MED, IITE (એલ.એસ.સી/ એલ.એ. - એલ.એડ., આઈઆઈટીઈ)
		MEd, IITE (એલ.એડ., આઈઆઈટીઈ)

IT Department

During the last one year complete revamp of University networking and IT Infrastructure is done in coordination of the IT Department at the University Campus.

A Digital system is more than a system or collection of application, platform, or Infrastructure that are being leveraged in a siloed manner around campuses. It's required strategic framework that foster a connected ecosystem and create a new, exciting experience for all. Emerging technology are required in order to develop the next-generation campus- technology that are woven into the fabric and process of an institution to create smart communicates for its students, constituents, and citizen. And base in the digital campus framework always depend on Infrastructure.

CCTV

Indian Institute of Teacher Education has implemented Information Infrastructure for digital smart campus through the various IT equipment such as CCTV, Access-Point, Hotspot Router, Firewall, Biometric devices and Internet Lease line connection with fully Fibber connection throughout the campus. Fibre Optic cables provides high speed transmission of data and also provide the opportunity to expand the network easily in case of need.

BIO MATRIC DEVICES

ACCESS-POINT

University has procured and installed the Security device like firewall to provide protection to the important data of the organization against outside cyber attackers by shielding computer or network from malicious or unnecessary network traffic, prevent malicious software from accessing a computer or network via the internet and it supports up to 350 concurrent users to authenticate along with manage internet traffic. University has procured the top branded and market share leader technology Ruckus access point and installed in Outdoor and indoor campus for internet connection with secure, smart and reliable with best range. Staff, Students and Faculties Can access Each and every place in campus Wi-Fi facility with authenticate through the MAC address from Controller.

Server room rack with switches, Firewall

In Addition, University has procured high quality branded Hik -Vision CCTV surveillance for Outside and Inside campus. Arrangements of the cameras are like that, minimal cameras are required to cover the entire campus without any blind-spot.

LIVE MONITORING EXAM

As part of the Digital Campus project, University procured high configuration server which helps to easily share the data as well as to share resources and in case of failure of systems from the back up of the server easily we can restore the important data.

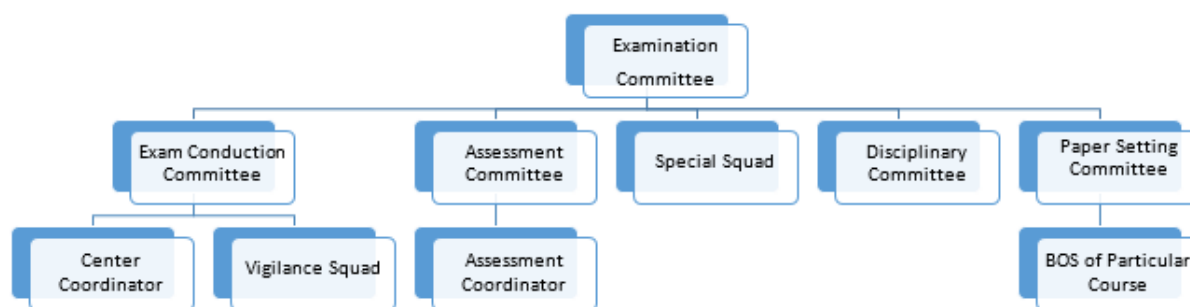

During last one year IT Department procure the various hardware and software like bio metric machines, Boom Barrier, Anti-Virus, All in One Computer Machines to enhance the working of various departments of the University and to support the online education along with this IT Department also coordinated configuration of Learning Management System – Angira with inflibnet for the various courses to be offered through it.

IT Department extended help to the Examination Department during the February, 2021 semester end examination in setting up the live monitoring centre at IITE, Gandhinagar for the real time monitoring of the examination centres online and set up the Computer Lab (Scanning Centre) for the scanning of Answer Books at University Campus.

Examination Department

Every year University is conducting semester end examinations for various regular programs run by the university twice in a year and for the smooth conduction of the examination following

various committees are formed according to ordinance and regulations of the University.

Since last year, Examination Department is doing the extensive use of the ERP for the various tasks of pre examination, post examination and during examination like exam form configuration, processing of the result, generate various reports from the system etc. and for the easy understanding of the working of ERP, examination department provides help manuals to various stack holders like students, colleges, center coordinators etc.

Students need to fill the exam forms online and no need to visit the University as complete process is online through ERP, download the hall ticket, view the result and download the same, apply for reassessment and rechecking through ERP.

Colleges are able to upload the Internal Marks directly into the system and mark their students eligible/ not eligible to fill the examination form based on regulations of the University, view the result of their students and access the office record for their students, verify and correct the examination forms of the students.

Center Coordinators gets the course wise, semester wise and date wise count of the students allocated to their center, they can mark the attendance of students appeared for the examination through system only so at University we will get the real time data from across all the examination centers.

July 2020 Examination

In the time of Covid-19 Pandemic, University Examination was conducted as Online Open Book Examination by giving the utmost importance to safety and wellbeing of the Students and staff involved in examination work as per the guideline from UGC dated 6th July, 2020 which allow the Universities to conduct the examination in Online/Offline or Blended Mode. Examinations were organized between 20th July, 2020 and 30th July, 2020. As per the guideline of the UGC, University also conducted one more time Practical Examination for the programs in which students were unable to appear in the examination. In this exam more than 1000 students appeared for the examination. Due to online mode of examination we achieved 100% attendance of students for all the courses and semesters in theory examination.

As Open Book Examination was first time experience for the students of the University so to make them acquainted with the system, we conducted 3 Mock Test conducted before the start of the actual University Examination and make sure that every student should attend at least 2 mock test out of those 3 to become well acquainted with the system.

University adopted Digital Assessment from this examination onwards which enables evaluators to evaluate the answer books at their own convenience and pace.

During last one year Examination Department conducted meetings to discuss the ongoing academic work at various affiliated colleges, to provide the guidelines for completing remaining Practical work specifically in the time of Covid-19, to discuss about the smooth conduction of University Examination etc.

Establishment

Notable Outcome

1. Regular Recruitment Process (January-2021)

- Post: (1) Associate Professor-Education (ST), (2) Assistant Professor-Education(Open), (3) Office Superintendent.
- Total No. of Process : 03
- Total No. of Appointment : 03
- 100% Recruitment on Regular Posts. No Regular Sanctioned Vacant Post.

2. Face Recognition System for Attendance

- Generate the Unique ID of Employee & integrate with it.
- Explore Leave Management & Time Management of employee.

3. Faculty Appraisal Report/ Performance Appraisal Report Presentation:

Dec-2020 Organize FAR/ PAR for 4 Quarter (Jan-March-20, March-June-20)

- Total No. of Presentation : 85 (15-30 minutes for each presentation)

March-2021 organize FAR/ PAR for January- March-20 Quarter

- Total No. of Presentation : 85 (15-30 minutes for each presentation)

June-2021 organize FAR/ PAR for April to June, 2021 Quarter

- Total No. of Presentation : 119 (15-30 minutes for each presentation)

4. 'KEYS- Know Engage with Your System' Presentation

- IITE Admin Branch Virtual Presentation.
- More than 100+ participants from IITE staff members and affiliated colleges in each presentation.
- No. of branch presented : 12
- Schedule for presentation : Dt. 07.06.2021 to Dt. 12.06.2021 (Between 12.00 PM to 13.00 PM)
- Per day two branch presentation & questioning session formed.

5. 'TOSHA' Past & Present Employee Virtual Meet

- The Virtual Meet organized for all IITE employee (Teaching & Non Teaching) since its inception.
- Schedule for meet : Dt. 20.06.2021
- The meet remains auspicious present of First Vice Chancellor of IITE Dr. Kamlesh Joshipura, Former Vice Chancellor of IITE Dr. Shashiranjan Yadav & Present Vice Chancellor of IITE Dr. Harshad Patel.

A path breaking initiative from IITE.

6. Details Regular Recruitment during Academic Year- 2020-21

Sr.No.	Name	Designation	Date of Joining
1	Dr. Raviraj Rajpura	Associate Professor	01/07/2020
2	Dr. Bhavesh Raval	Associate Professor	02/07/2020
3	Dr. Jyoti Raval	Assistant Professor	28/01/2021
4	Mr. Hitendrasinh Vaghela	Office Superintendent	28/01/2021
5	Dr. Anil Varsat	Associate Professor	01/04/2021

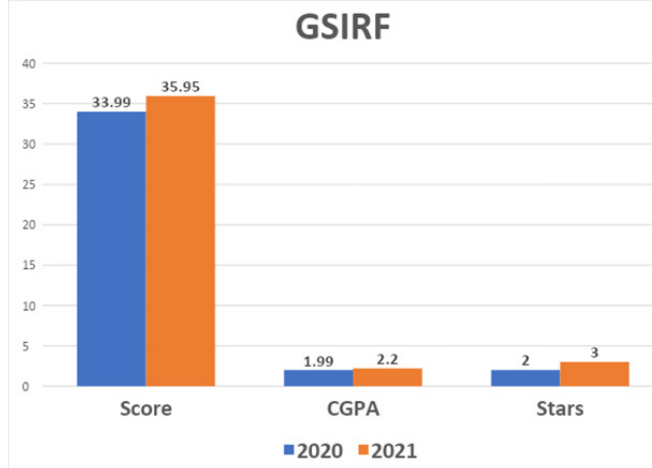

UPD

NIRF

Though teacher education institutes are not included in National Institutional Ranking Framework (NIRF), IITE has got permission to participate in NIRF as University under Overall category since last two years.

GSIRF

The following chart shows the comparison of GSIRF results of last two years

PUBLICATION & PUBLIC RELATION BRANCH

Indian Institute of Teacher Education (IITE) celebrated its 10th Foundation Day from 1st July 2020 to 30 June 2021. This decade of dedication was celebrated with zeal, zest and reassuring commitment to nurture teachers for future generations. Publication and Public Relation Department (PPRD) of IITE is the backbone of the University's communication and reputation management. Be it a big events like convocation and the foundation day of the University or a small seminar or workshop, PPRD has always assured effective communication to society about it. PPRD has ensured correct and clear communication during some challenging situations to ensure that propaganda driven efforts do not fructify to malign University's reputation PPRD has been on the forefront of communication and having live connect with the stakeholders for the University. The department is producing original content for various initiatives, creating daily social media posts for the University's platforms like **Teachers' Tune**, posts for significant days and festivals, special seminars and workshops conducted by various centres. Maintaining live

The department is producing University's monthly newsletter – **Sutirth**. We are also entrusted with the responsibility of developing branding and communication for the University's intangible creative assets like Convocation, Foundation Day, University's Youth Festival – **Kalakunj**, Literary event – **Bhasha Manjoosha**, Students' farewell event – **Vigam**, University's TV platform – **Shiksharth**, **Paramarshan Pathey**, **Parichay Parivarno**, University's Annual Sports Day – **JOSH**, University's MOOC Platform – **ANGIRA**. Theme based creative expressions on the wall of Abhivyakti amphitheatre.

PPRD has actively participated in the thought leadership initiatives of the University. It includes outreach events like Dialogue Series – **Ughadati Dishao and Paramarshant Pathey** – deliberations on National Education Policy (NEP), and translation of **NEP in Gujarati**, new initiatives like I3T (Integrated Test for Teacher Trainee). PPRD has been integral part of one of the most creative branding exercise of IITE – હજુ યાદ છે (Haju Yaad Chhe – **Still I Remember – SIR**) social media campaign from concept to final execution. PPRD is at the foundation of Hon. Vice Chancellor Dr. Harshad Patel's brainchild of starting an Internet Radio Station – **Teachers' Tune**. PPRD was involved in setting up technical infrastructure and planning radio programs & scheduling in the initial phase of the radio.

Apart from contributing to various events of the University for providing technical assistance for Live Broadcasts on Facebook and YouTube, PPRD has also done Facebook live sessions with IITE's Teacher Educators to share insights about the career opportunities in Education sector under the career guidance dialogue series – **'Teaching As Profession'**

Media Communication

Coordinating and communication with various news outlets like Print, Television, and Digital Platforms about University's various initiatives through Press Notes. PPRD has prepared more than 25 press communications and circulated amongst media during the year.

PPRD's contribution in various initiatives of IITE

- **Sutirth** – PPRD is publishing IITE's in-house magazine for teacher trainees and teacher educators.
- **Shiksharth** – PPRD contributed in the designing of the brochure and coordinated with the BISAG executives for the FB Live of inaugural ceremony of Shiksharth - a dedicated TV platform for Teacher Education on Vande Gujarat Channel.
- **Tune** – Internet Radio Station for creative and academic audio programs for learning through the waves. PPRD was involved in setting up technical infrastructure and planning radio programs & scheduling in the initial phase of the radio.
- **Chanakya** – PPRD contributed in the designing of the brochure and provided creative inputs in the trophy of the award.

Designing and publication of IITE's communication material

PPRD is designing theme base calendar and diary for IITE. The department is also engaged in designing Teacher Trainee's Diary, Brochures, Pamphlets, Syllabus books of various courses, advertisements. Backdrops and other branding material for various events of the University.

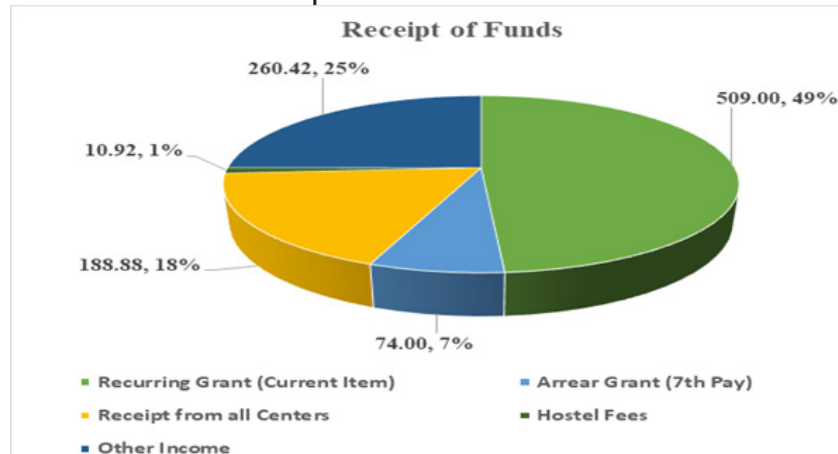

PPRD is facilitating the University's communication on main Social Media platforms

The department is actively creating social media posts for all the departments of IITE and also facilitating other departments to post them.

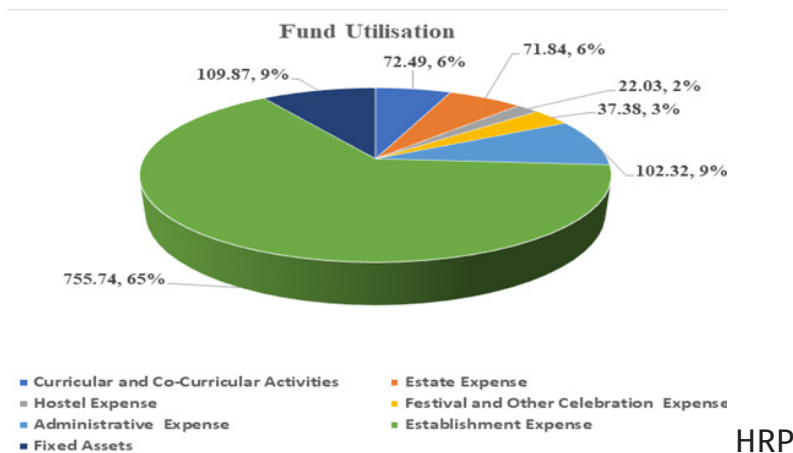

Account

Receipt and Utilization of Fund for the Year 2020-21

The following charts show the receipt and utilization of fund for the Financial Year 2020-21

HRP

Estate Dept.

This branch of IITE is carrying out work to create and maintain physical assets, furniture and infrastructural, security, housekeeping, transportation, gardening and other logistic works related to the University and Hostel campus. Also the branch to support the other branches who are allotted various tasks in IITE for upliftment of University.

The following works and activities were carried out by the branch during the year July-2020- to Jun-2021.

- (1) Security/Sweeper Services
- (2) Renovation Work (Toilet and Campus Boundary repairing and fencing)
- (3) Campus & Building Maintenance

Building Renovation/Maintenance: -

Present building was allotted to IITE by Government of Gujarat but this building required to have some change & new facility as per requirement, which was essential. So, taking this into consideration, Estate branch has look over into this matter to fulfill the requirement with a purposeful and maximum use of it of IITE.

Campus and Building Maintenance:-

- (i) Ground Maintenance: -The campus land allotted to IITE is around 45600 Sq.mt. of area. Where different outdoor games, competition & celebration of the National festival is organized for the physical and mental development of the student. Therefore the leveling and cleaning of the ground has been done from time to time within the year 2020-21.
- (ii) Garden: - There was a water logging problem at the front side of the IITE building. So. The leveling of this area is made and after that at this site which enhances the pleasant environment of the building & also the water logging problem is solved.
- (iii) Lighting: - For the beauty and safety at night proper lighting arrangement has been made at IITE campus/building.

Campus & Facilities

- SHRI KIREET JOSHI LIBRARY – ‘The Resource of Knowledge’
- Satvik- the dining place
- Chaupal- the performance place
- Auditorium- meeting and conference place
- Prayer Hall
- Incubation Centre
- Hostel facility

Academic Branch

Syllabus:

A Syllabus as an overall view of an idea of a subject has a necessary place in any ideal system of Education.

A curriculum as an instrument of & certain goals to be achieved has also an important place also, a syllabus as a great utility in presenting to the student the various elements involved in that he is going to learn, in stimulating his interest in those elements and in creating in him a prospective attitude towards his studies. IITE believes that a syllabus should grow according to the needs of the inner growth of the student, and the student should be free to develop and weave the various elements of his studies into a complex harmonium whole on the lines of his deeper quest and according to the rhythm of the inner flowering of his personality.

The progress of the student has to be related to the motivation of the student. Curiosity as a motive has to be fostered and nourished.

IITE has taken up the initiative in the year 2020 with utmost care for upgrading the teacher education courses of UG and PG level; as well as implementing the same across its affiliated 59 B.Ed. colleges. IITE has also accepted and implemented PhD Course Work as per guidelines of UGC.

Teacher Recognition:

The applications for teachers recognition received from 39 affiliated Government and Grant-in-Aid Colleges during the year. The committee scrutinised all applications and recommended recognising the teachers as per their category. The Academic Council endorsed the same and recognised 213 principals and teachers of the affiliated colleges.

Subject Experts:

University has to prepare the panel for subject experts under Section 5 for constitution of Selection Committee recommended by “UGC Regulations on minimum qualification for appointment of teachers and other academic staff in University and Colleges and measures for the maintenance of standards in higher education, 2018” the subject experts list has been approved by the apex council for different category during the year and total 92 experts in 7 subject categories have been approved by the Academic Council.

Research and related activities

Research Development Committee:

As per regulations of the IITE, the Research Development Committee has been constituted and notified. RDC met 5 times during this Academic Year mainly for GDPI of PhD Admission and to review the progress of research work of research scholars of IITE.

Research Advisory Committee:

Research Advisory Committees were formed for various Research Scholars as per provisions of Ordinances. Due to the pandemic situation of COVID 19, most of the RAC were held in online mode to review the research work of Research Scholars.

Research Supervisor

Academic Department received applications for Research Supervisor from 4 teachers of the IITE, 1 from Associate Professor and 3 from Assistant Professors. After following due process, all are declared as a recognised Research Supervisor at IITE.

Thesis Evaluation

During this academic year, 3 research scholars submitted their PhD thesis, evaluated by the examiners and Viva-Voce and open defence was conducted. All 3 research scholars are declared eligible for the degree of PhD.

Notifications:

The Academic Department notified approved Ordinances and Regulations. As per provision of these Ordinances and Regulations, it also notified various Councils, Committees and appointments accordingly.

NAAC:

The Academic Department participated actively in the process of NAAC going on at IITE. Data related to Courses, Syllabus and other academic data are provided by the department.

NEP-2020:

The purpose of the education system is to develop good human beings capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper and creative imagination, with sound ethical moorings and values. It aims at producing engaged, productive, and contributing citizens for building an equitable, inclusive, and plural society as envisaged by our Constitution. A good education institution is one in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students. Attaining these qualities must be the goal of every educational institution. However, at the same time, there must also be seamless integration and coordination across institutions and across all stages of education.

The National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower. The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world. The vision of the Policy is to instil among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

Being a University, IITE initiated a better implementation of this policy and formed criteria wise different 11 committees to discuss and percolate the same at grass root level. The committees

have made recommendations for the same.

RTI:

The Academic Branch received 3 applications under Right to Information Act, 2005. We responded to all these applications in time and as per provision of the Act. It also submitted Quarterly Reports to the Information Commission of Gujarat regularly during this period.

P G Portal:

Responding to applications received at Public Grievance Portal is an important part of the Academic Branch. During this academic year, 7 applications were received on PG Portal, all were attended and disposed as per the rule.

AISHE:

During this academic year, 40 new colleges were affiliated with the IITE, out of which 38 colleges have been transferred to the IITE account on AISHE portal. Due to the pandemic situation in the world, this AISHE survey has not been carried out during this period.

M.A./ M.Sc. M.Ed. additional Intake approval from NCTE:

As a part of student support to serve the society, IITE made a proposal for additional intake for M.A, / M.Sc. M.Ed. (integrated innovative programme) course; to the NCTE in the last year. The council has sanctioned the additional intake for 50 seats. Now, total Intake has been raised to 100 seats.

Utility Branch

- **MOU with Postal Department for Dispatch- with Perfect Tracking Mechanism**

The year 2021 rises with revolutionise in the dispatch mechanism. IITE has made an MOU with the Indian postal Department under the Book Now Pay Later (BNPL) scheme of the department. The scheme covers easy dispatch ways which enable us to bypass the booking counter with heavy rush; where we have to deploy staff at the counter with pay in cash the charges each time at the post office. The scheme enables us to save time and manpower with a perfect tracking mechanism. We have implemented the MOU from January, 2021

- **Stationery Stock on Click**

The Utility Department has to procure and manage the stationery items consumed at every department of IITE. The department procures the stationery items quarterly; as per requirement, vide bid on GeM portal as per direction of Government.

Moreover, the department has developed a simple In-house computerized system for inventory of the stock on a single click. The system helps the department to operate with easy stock management of stationery items and fetch the data for annual Stationery Stock Verification to be done within stipulated time.

Timeline of all events during the Academic Year

Activity Timeline of the year-2020-2021	
Jul-20	Name of Event/Celebration
02.07.2020	Tree Plantation at Hostel
05.07.2020	Gurupurnima Celebration in the presence of Dr. Kulin-chandra Yagnik, 1st VC HNGU
09.07.2020	Fire safety training for staff
11.07.2020	Plantation Activity by Academic staff
21.07.2020	Inaugural of online Certificate Courses
Aug-20	
02.08.2020	Conduction of i3T Exam for Admission-2020
07.08.2020	71st Van Mahotsav of Gandhinagar District - 2020 at IITE campus
15.08.2020	Independence Day celebration
17.08.2020 to 28.08.2020	Ughadati Dishao - Samvad Shreni on NEP 2020
18.08.2020	FB Live on New Education Policy and Sanskrit Day celebration
21.08.2020	Practical Examination during corona
30.08.2020	Prakruti Vandana Program
Sep-20	
05.09.2020	Unavailment of NEP - 2020 Gujarati book by Hon. Governor in presence of Chief Minister and Education Minister
14.09.2020	Hindi Divas Celebration
15.09.2020 to 17.09.2020	Introduction to Curriculum Event
16.09.2020	Gathering Program to share University Activity
21.09.2020 to 30.09.2020	Virtual Praveshotsav of affiliated colleges
Oct-20	
	Paramarshan Patheya by Vice Chancellor with stack holders across Gujarat
12.10.2020	12.10.2020 - B.Ed. Curriculum launch by Hon. Chief Minister at CM house
15.10.2020	15.10.2020 - Covid 19 rapid test of all staff
16.10.2020	16.10.2020 - Jan Andolan Abhiyan
16.10.2021	16.10.2020 - MOU with Inflibnet
17.10.2020	Ghat Sthapan - Navratri 2020
17.10.2020 to 10.11.2020	Paramarshan Pathey Pravash
31.10.2020	Sardar Patel Jayanti celebration lecture
	IITE and NAAC Jointly organised webinar for NAAC
	Still I Remember the GURU Vandana Programme

Nov-20	
19.11.2020	Launch of IITE Radio Station - Teachers Tune
20.11.2020	Niti Ayog Included IITE for best practice
Dec-20	
12.12.2020	Inauguration of Art in Education Workshop
12.12.2020	Inauguration of SSIP cell by Bhupendrasinhji Chudasama, Education Minister
24.12.2020	3rd Convocation
Jan-21	
01.01.2021	Calender 2021 Unavail by Hon. Vice Chancellor Swarnim Gujarat Sports University
01.01.2021	University Sports Festival
03.01.2021	Launching Program of IITE's Initiative - Shiksharth
09.01.2021-10.01.2021	Kalakunj 2021
12.01.2021	Swamivivekanand's books Exhibition at library
25.01.2021	Inuagral of 2nd Teaching Skill Competition
26.01.2021	Republic Day Celebration
Feb-21	
08.02.2021	State level seminar on Implimentation of NEP 2020 and Techer Education
14.02.2021	Value Education Workshop at AMA auditorium
16.02.2023	Vasant Panchami Celebration
18.02.2024	IQAC- NAAC Awareness Workshop at V.T.Chokshi College, Surat
19.02.2025	10th Academic Council Meeting
21.02.2026	Day 1- Inauguration of Bhasha Manjusha Progrma - CoExt
22.02.2027	Day 2 - Bhasha Manjusha - CoEXT
23.02.2028	Day 3 - Bhasha Manjusha -CoExt
24.02.2029	IQAC-NAAC Awareness Workshop at L.N.K. Patan
25.02.2030	IQAC -NAAC Awareness Workshop at <u>A.G.Teachers</u>
26.02.2031	IQAC -NAAC Awareness Workshop at N.H.Patel College of Education, Anand
Mar-21	
02.03.2021	Science day celebration - COE
08.03.2022	Woman's Day Special Books Exhibition at Library
09.03.2023	IQAC -NAAC Seminar at <u>ILT</u> , Rajkot
10.03.2024	MOU between <u>RFR</u> Foundation & IITE
13.03.2025	9th Sports Meet

16.03.2026	IQAC - NAAC Seminar at IITE - Day 1
17.03.2027	IQAC - NAAC Seminar at IITE - Day 2
18.03.2028	Inclusive education Webinar SPU
18.03.2029	IQAC - NAAC Seminar at IITE - Day 3
20.03.2030	46th Finance Commiitee Meeting
Apr-21	
05.04.2021	NAAC Commitee Meet
06.04.2022	NAAC Commitee Presentation
May-21	
27.05.2021	Fire safety training to staff
28.05.2022	NEP 2020 - Digital consultation - seminar
Jun-21	
03.06.2021	Plastic free campus social activity
04.06.2022	IITE National Webinar on Blended Learning on 4-5 June 2021
05.06.2023	Environment Day Celebration
08.06.2024	NCC cadets Exam
14.06.2025	Admission 2021 Meeting with All Principals
14.06.2026	IITE Faculty visit at Comand and Control Center (CCC 2.0), Gandhinagar
20.06.2027	Tosha Employee Meeting
20.06.2028	Tosha Students Meeting
21.06.2029	7th International Yog Day Celebration
30.06.2030	11th Foundation Day
