- 7 Necessary safety railings/nets shall be provided throughout the site and necessary safety measures shall be taken to ensure the safe working conditions during the installation and subsequent to installation during Event. Necessary barricading and other necessary safety measures shall be the responsibility of the Bidder. Any loss of human/cattle or damages or so, shall be the responsibility of the Bidder including any liability and/or compensation to be paid towards the life lost damages so caused.
- 8 All infrastructure works covered in the contract shall be so managed and executed that they maintain safe distance from the public roads and other existing structures, services and sensitive areas like forest, sanctuaries, historical places, national monuments, schools, hostels and residential areas.

9 Cutting of trees shall not be permitted.

- 10 Once the event is completed, the dismantled material and other waste material shall be removed and shifted to safe place, as directed.
- 11 The workmanship shall be of high order and quality so as to prevent accidents and damaging the environment and surroundings.
- 12 No Damage in case shall be caused to the existing structure. The selected contractor shall be held responsible in occurrence of any such incident and will be responsible for the cost of required rectifications.
- 13 Site shall be returned to the Client as it was in the original condition and completely free of any garbage and temporary structures.
 - o The bidder shall bear all costs associated with the preparation and submission of its bid, and the Client in no case is responsible or liable for these costs, regardless of the outcome of the bidding.
 - o The successful bidder shall make his own arrangements for all the materials, power and water required for all purposes in connection with the construction and implementation of the Event. If possible the client shall help for obtaining such facilities at an appropriate cost, which will be recovered, from the Bidder in a suitable way.
14. The Bidder shall be liable of all types of insurance of their goods and workers.

Event Implementation Period

The Bidder can start utilizing his resources immediately after awarding the contract for timely implementation of event. However, if due to any unforeseen reasons if the site is not available, Bidder shall be capable to execute the work in a shorter period. No additional payment shall be made on this account.

ELIGIBILITY CRITERIA FOR BIDDERS:

The proposal of bidder shall be evaluated in two stages

- 1.) Technical Evaluation of Proposal
- 2.) Presentation & Evaluation of expertise, creativity, concept, design, equipment, The bidder fulfilling Technical Evaluation Stage shall be shortlisted for the Presentation. The bidder should be fulfilling the following preconditions and must also submit documentary evidence in support of fulfilment of these conditions while submitting the technical proposal.

IITE reserves the right to verify the claims made by the bidder and to carry out the capability assessment of the bidder and the IITE's decision shall be final in this regard. IITE may, in its absolute discretion, waive any of the conditions and / or requirements in the tender in respect of any or all of the agencies.

Presentation & Evaluation

The agencies fulfilling Technical Criteria will be shortlisted for Presentation & Evaluation. The Primary evaluation criteria are given in the following table:

Sr. No.	Evaluation Criteria	Maximum Marks	Obtained Marks
1	Expertise	20	
2	Creativity	20	
3	Concept	20	
4	Design	20	
5	Equipment	20	
	Total	100	

Bidder shall have to secure minimum 75 marks out of 100 in Presentation & Evaluation for price bid opening, The rate will be final of L1 agency, after the opening financial bid those agencies want to be empanelment, they have to match L1 rate.

Such bidder shall be called "Technically Eligible bidder" and such technically eligible bidder shall only be eligible for Financial bid opening.

IITE reserves the right to make the appointment of the Successful bidder subject to such further terms and conditions as it considers appropriate in relation to the Tender process

and/or the provision of the services. IITE shall not be obliged to give any reason(s) for the selection and/or rejection of any Proposal or any part thereof.

IITE reserves the right, at any time and in its absolute discretion, accept or reject Proposals (or to permit any bidder to resubmit its Proposal, such that Proposal fails to meet any or all of the Criteria and/or the Requirements), to pursue negotiations with any number of bidders, to withdraw from negotiations with any bidder at any time and to suspend, discontinue, modify and/or terminate the Tender process at any time.

Opening of Financial Proposal

- o IITE would endeavour to open the financial bid after the scrutiny of technical bid opening and Presentation.
- o IITE would subsequently examine and review the Proposal in accordance with the criteria set out in the tender document.
- o If there is discrepancy between total bid amount and summary of total cost of all components/parts, then the following will be procedure,
 - a) Where there is discrepancy between the rates in figures and in words, amount written in words shall prevail.
 - b) Where there is discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

However, the decision of IITE in this regard shall be final and binding.

Payment Schedule:

No advance payment shall be given to agency.

The bill will be paid after submission of all the relevant documents, and order copy.

Applicable Tax Deducted at Source (TDS) as per Income Tax Act at the prevailing rate will be deducted from the payment.

No reimbursements would be made with regard to any domestic and foreign travel, any other out of pocket undertaken by the agency and or its representatives without prior approval by the authorities.

The out of pocket expenses are pure reimbursements and not to be treated as part of the fees.

General Conditions of Contract

Definitions

In this Agreement the following words and expressions shall have the meanings hereby assigned to them, except where the context otherwise requires:

1. "Contract" means the Contract Agreement, these Conditions of Contract (Parts I, II, III and IV) the Client's Requirements, the Bid, the Bidder's Proposal, the Schedules, the Letter of acceptance, the Contract Agreement (if completed) and such further documents as may be expressly incorporated in the Letter of Acceptance or Contract Agreement (if completed).
2. "Bidder's Equipment" shall mean all equipment, instruments, tools, machinery and other appliances and things of whatsoever nature required for the fulfilment of the Contract or of the Bidder's Obligations, but not including those items which are intended to form, or which form part of the Facility.
3. "Bidder's Obligations" shall mean the obligation to execute the Event in its entirety and shall, without limitation, include the Bidder's Operation and Maintenance including defect liability.
4. "Defects Liability Period" shall mean the Defects Liability Period of up to the event commencing on and from Date of inauguration of Event during which the Bidder shall undertake the responsibilities, and have the liability for the facility.
5. "Facility" shall mean the entire system to be designed and constructed in accordance with the provisions hereof, including pathways, toilets, structures, ramps, pits, pipes, fencing, lighting, testing and analysis equipment, tools, safety equipment, plant machinery, supplies, instruments and inventory incorporated therein, as well as all open areas within the site, and including any additions, modifications, alterations, replacement and repairs as may be made thereto from time to time and items executed under this contract.
6. "Governmental Authority" shall mean any Indian entity, authority or body exercising executive, legislative, judicial, regulatory or administrative functions, including, without limitation, any government authority, agency, department, board, commission or instrumentality of Indian or any political subdivision thereof, court, tribunal, arbitrator or self-regulatory organization.
7. "Law" shall mean and include all the provisions of all Indian statutes, regulations, ordinances, codes, official or other standards, administrative or other rules, zoning and other plans and restrictions, building and other permits, judgments awards and decrees of, or agreements with any Governmental, semi-Governmental or quasi-Governmental Authority as currently in effect or as may be in effect from time to time and /or as may be amended or supplemented from time to time.

8. "Site" shall mean that specific area specified in the Bid Documents and shall include any other places as may be specifically designated by the Client from time to time as forming part of the Site.

Contract Agreements

This contract shall come in full force and effect from the date of issue of Letter of Acceptance by the client. The costs of stamp duties and similar charges (if any) imposed by law in connection with entry into the Contract Agreement shall be borne by the Bidder.

Details to Be Confidential

"The Bidder shall treat the details of the Contract as private and confidential, except to the extent necessary to carry out his obligations under it. The Bidder shall not publish, permit to be published, or disclose any particulars of the Contract in any trade or technical paper or elsewhere without the previous consent in writing of the Client and at the Client's sole discretion."

Management Meetings

The Bidder's Representative has to attend a management meeting. The business of each management meeting shall be to review the anticipated arrangement for future work and to resolve any matters raised in accordance with this Sub-Clause. The Bidder's Representative shall record the business of management meetings and provide copies of this record to those attending the meeting and to the Client. The responsibility of the parties for any actions to be taken shall be included in such record and shall, if not agreed in accordance with the Contract, be decided by the Client.

The Bidder's Representative shall notify the Client at the earliest opportunity of specific likely future events or circumstances, which may adversely affect the work, increase the Contract Price or delay the execution of the Works. The Client may require the Bidder to submit an estimate of the anticipated effect of the future event or circumstances, and/or a proposal. The Bidder shall submit such estimate and/or proposal as soon as practicable. The Bidder's Representative shall co-operate with the Client in making and considering proposals to mitigate the effect of any such event or circumstances, and in carrying out instructions of the Client.

Unforeseeable Difficulties

Preliminary data/survey data generated by the Client is available for the guidance of the bidder. However, the Client does not take any responsibility of its correctness. The bidder shall carry out independent additional investigations and surveys to collect the data required to design and construction of above/below ground (sub-soil) structures/facilities if he considers necessary for his own satisfaction at his own cost without any liability

whatsoever on the client. The bidder shall make provision in his bid for any unforeseen sub-soil

condition encountered at the time of execution of the Works separately and it shall be loaded during his price evaluation.

Bidder's Equipment

Bidder's Equipment which are intended for permanent use as a part of works under the contract and for temporary use during the construction period, initially owned by the Bidder (either directly or indirectly) shall be deemed to be the property of the Client with effect from its time of arrival on the site. The vesting of such property in the Client shall not:

- (a) Affect the responsibility or liability of the Client,
- (b) Prejudice the right of the Bidder to the sole use of such Bidder's Equipment for the purpose of the Works, or
- (c) Affect the Bidder's responsibility to operate and maintain the same under the provisions of the Contract.

The property in each of the equipment's of temporary use during execution shall be deemed to revert in the Bidder with effect from the time he is entitled to remove it from the Site, or when the Client's Representative issues the Final Completion Certificate for the Works, whichever occurs first.

Electricity, Water and Gas

The Bidder shall make his own arrangement of electrical power - water - gas and any other services required by the Bidder for Execution of "Work". The Client shall make available free of cost to the Bidder the Power, required for the Operation and Maintenance of the works except welding facilities. For welding works Bidder shall have to make his own arrangement. However, such power shall be supplied only to the maximum extent of the requirement of power indicated by the Bidder in his bid. Any additional power required, cost of such additional power should be recovered from the Bidder's bills.

Bidder's Document

Construction shall not commence until the Bidder receives the client's representative's approval of the construction documents, which are relevant to the design, and construction of such part.

Staff and Labour

A reasonable proportion of the Bidder's superintending staff shall have a working knowledge of Gujarati and/or Hindi language, or the Bidder shall have sufficient competent interpreters available on Site during all working hours.

Epidemics

In the event of any outbreak of illness of an epidemic nature, the Bidder shall comply with and carry out such regulations, orders and requirements as may be the Government, or the local medical or sanitary authorities, for the purpose of dealing with and overcoming the same.

Burial or Cremation of the Dead

The Bidder shall be responsible, to the extent required by local regulations, for making any arrangements with regard to burial / cremation of any of his local employees who may die while engaged upon the Works.

Alcoholic Liquor or Drugs

The Bidder shall not, otherwise than in accordance with the statutes, ordinances and government regulations or orders for the time being in force, impart, sell, give, barter or otherwise dispose of any alcoholic liquor or drugs, or permit or suffer any such importation, sale, gift, barter or disposal by his Subcontractors, agents, staff or labour.

Arms and Ammunition

The Bidder shall not have, barter or otherwise dispose of to any person or persons, any arms or ammunition of any kind or permit or suffer the same as aforesaid.

Right to Vary

The IITE will make any variation of the form, quality or quantity of the works relating to any item of a component according to site conditions or any part thereof that may, in his opinion, be necessary and for that purpose, or if for any other reason it shall, in his opinion, be appropriate, he shall have the authority to instruct the Bidder to do and the Bidder shall do any of the following:

- a) Increase or decrease the quantity of any work included in the Contract.
- b) Omit any such work (but not if the omitted work is to be carried out by the Client or by another Bidder), before the end of stipulated time limit of the contract.
- c) Change the character or quality or kind of any such work.
- d) Change the levels, lines, position and dimensions of any part of the works,
- e) Execute additional work of any kind necessary for the completion of the works, or
- f) Change any specified sequence or timing of execution/construction of any part of the works.

No such variation shall in any way vitiate or invalidate the contract, provided that where the issue of an instruction to vary the works is necessitated by some default of or breach of contract by the Bidder or for which he is responsible, any additional cost attributable to such default shall be borne by the Bidder.

The Bidder shall not make any such variation without informing the Owner and IITE.

Provided that no instruction shall be required for increase or decrease in the quantity of any work where such increase or decrease is not the result of an instruction given under this clause, but is the result of the quantities exceeding or being less than those stated in the Bill of Quantities. The payment to such variations, modifications and deletions shall be governed according to the payment modality as outlined in the mode of payment schedule as deemed decide by the owner and no objection either in written or oral shall be accepted.

Variations, Modifications Etc.

Quantity of items may vary according to requirements of the event; bidder shall accommodate all such changes without prejudice to the condition of this contract and within time frame. In case of increase or decrease in items pertaining to stipulated scope of works to an extent of +10% or – 10%, quoted rates shall be applied.

If the additional or altered work includes any class of work for which no rate is specified in the schedule contract, then such class of work shall be carried out:

(a) At the rate derived from the item within the contract which is comparable to the one involving additional or altered class of work; where there are more than one comparable items, the item of the contract which is nearest in comparison with regard to class or classes of the work involved shall be selected and the decision of the Client as to the nearest comparable item shall be final and binding on the Bidder.

(b) If the rate cannot be derived in accordance with (a) above, such class of works shall be carried out at the market rate. The detail cost break up shall be provided by the Bidder for such items. The contracting authority will decide the rate in consultation with IITE based on rate analysis to be submitted by Bidder.

(c) If it is not possible to arrive at the rate from (a) and (b) above, such class of work shall be carried out at the rate decided by the competent authorities on the basis of detailed rate analysis after hearing the Bidder before a Committee formed by IITE stationed at the same place or the nearest place, as may be appointed by IITE.

(d) Contractor shall not execute the extra/additional work without prior written approval of the IITE (Client /Committee Member of the Event). Any extra item if executed must have written consent of the concerned decision maker and to be submitted with detail cost analysis.

The measurements shall be supported by Total Station Survey. Necessary photo documentation will be availed by Client if required.

Arbitration

(a) If a dispute of any kind whatsoever arises between the Client and the Bidder in connection with, or arising out of, the Contract or the execution of the Works or after their completion and whether before or after the repudiation or other termination of the Contract, including any disagreement by either party with any action, inaction, opinion, instruction, determination, certificate or valuation of the Engineer, the matter in dispute shall be settled by arbitration in accordance with the Indian Arbitration and Conciliation Act, 1996 or any statutory amendment thereof.

(b) Neither party shall be limited in the proceedings before such arbitrators to the evidence or arguments already put before the Engineer or the Company, as the case may be, for the purpose of obtaining its/his said recommendations/decision. No such recommendation/decision shall disqualify the Engineer or any of the members of the Company, as the case may be, from being called as a witness and giving evidence before the arbitrators or any matter whatsoever relevant to the dispute.

(c) The reference to arbitration may proceed notwithstanding that the Works shall not then be or be alleged to be completed, provided always that the obligations of the Client, the Engineer and the Bidder shall not be altered by reason of the arbitration being conducted during the progress of the works. Neither party shall be entitled to suspend the works, payments to the Bidder shall be continued to be made as provided by the Contract.

(d) Arbitration proceedings shall be held at Gandhinagar and the language of the arbitration proceedings and that of all documents and communications between the parties shall be English.

(e) The decision of the majority of arbitrators shall be final and binding upon both parties. The expenses of the arbitrators as determined by the arbitrators shall be shared equally by the Client and the Bidder. However, the expenses incurred by each party in connection with the preparation, presentation, etc., of its case prior to, during and after the arbitration proceedings shall be borne by each party itself.

(f) All arbitration awards shall be in writing and shall state the reasons for the award.

Force Majeure

Force Majeure shall mean such an Event or Circumstance or combination of Events and Circumstances which are beyond the reasonable control of the Affected Party and which the affected party could not have prevented by Good Industry Practice or by the exercise of reasonable skills and care for the purpose of discharging its obligations under the Contract. The Force Majeure will tend to have material adverse effect on the performance of such affected party.

Following shall be the events and circumstances of Force Majeure:

Act of War (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, revolution, riots, insurrection, civil commotion, act of terrorism, or sabotage. The expropriation or Compulsory acquisition or seizure of the assets of The Agency by any Governmental Instrumentality, provided that this clause shall not apply where such Act constitutes a remedy or sanction lawfully exercised as a result of a breach by the Agency of any Indian law or Indian Directive but excluding any change in law.

Act of God epidemic, lightning earthquake, cyclone, whirlwind, flood, tempest, storm, drought, lack of water or other unusual or extreme adverse weather or environmental conditions, action of the elements, meteorites, fire or explosion to the extent generated from the source external to the Agency or his assets due to reasons other than, those caused by negligence of the Parties, chemical or radioactive contamination or ionizing radiation.

Procedure for Calling Force Majeure: The affected party shall notify to the other party in writing of the occurrence of the Force Majeure as soon as reasonably practicable, and in any event within 24 hours (Twenty Four hours) after the Affected Party knew, or ought reasonably to have known, of its occurrence and that the Force Majeure would be likely to have a material impact on the performance of its obligations under the Contract.

The notice shall include full particulars of the nature of Force Majeure event, the effect it is likely to have on the Affected Party's performance of its obligations and the measures which the Affected Party is taking, or proposes to take, to alleviate the impact of the Force Majeure Event and restore the performance of its obligations. When the affected Party is able to resume performance of its obligations under this Contract, it shall promptly give the other party written notice to that effect provided that in no event shall the suspension of performance be of greater scope and of longer duration than is necessitated by Force Majeure.

The rights and obligations of the Affected Party shall be suspended to the extent they are affected by the Force Majeure. IITE shall not be liable to make any payments to the Agency for it being affected on account of Force Majeure. IITE reserves the right to terminate the contract if the Force Majeure continues for more than 15 (Fifteen) days at a stretch.

Contract interpretation and disputes settlement

The Amicable Settlement of Disputes of the General Conditions of Contract shall apply.

Assignment

The Bidder will not be entitled to sub-contract any part of his obligation to any third party without prior approval of the Client.

Completion of the Contract

On the date of Contract Completion or if the Contract is terminated, all the installations,

works and equipment placed under the Bidder's responsibility shall be handed over to the Client, at no cost, in good working order, except for normal wear and tear. The Client may perform any inspections; tests or expert appraisals he shall consider necessary with a view to checking that the property is in good working order.

Security Deposit

Within one weeks from the date of issuance of Contract, the Contractor shall submit DD to Amount of Rs. 50000/- in favour to Registrar, IITE payable at Gandhinagar.

For the DD towards the security deposit is issued by an Indian bank, it shall be from State Bank of India (SBI) /from any other Nationalized Bank.

In the event, the Contractor fails to fulfil any of the obligations under the Contract; the Client shall have the right to encash the Security Deposit.

No interest shall be payable on security deposit amount till it is retained by Client in terms of Contract.

Liquidated Damages

The completion period of the entire work shall be as per the dates specified for the Event; this shall be deemed to be the essence of the contract. The time limit specified above and as approved in writing by IITE, shall be strictly adhered to and followed. Liquidated Damages will be applicable, on the entire value of the contract. In case of delay in completion of a specific job beyond the date of completion given by the Bidder and accepted by IITE, unless extended by IITE in writing, penalty would be applicable at the rate of 25% of the contract value for delay of each day taken by the Bidder, subject to maximum of 50% of the contract value.

The penalty shall be recoverable from retention money or from deposit provided by the bidder and if the security deposit is not sufficient, by revoking the bank guarantee submitted by the event contactor or from any sum payable to the Bidder under this or any other contract with IITE.

In case of delay to deliver the work within stipulated program, IITE reserves the right to terminate the contract and get all the jobs or the delayed job completed through another Bidder of its choice. Any extra expenditure that IITE will have to incur for completion of the balance job/s through another Bidder on account of higher rates quoted by the Bidder will be recovered from the Bidder's account, Security deposit. Moreover, IITE shall be entitled to all other legal proceedings as may be required for shortfalls in recovery.

Governing Law

The Contractor shall be construed and shall be governed by the laws of India and the Contractor shall be required to comply with all the applicable laws with regard to performance of the Contract.

Jurisdiction

The Court in Gandhinagar (Gujarat State, India) shall have exclusive jurisdiction to deal with and decide all disputes arising out of this Contract.

Special Conditions of Contract

1. Bidder shall do all necessary concept planning, layout, designs for structures, plumbing, electrical, interiors, working drawings etc. for execution of project and for structural soundness of the works.
2. The proposal developed shall be consistent with proposed design of structures and ambience of the IITE.
3. Looking at the nature of work, in order to bring in innovation in to the Event, Bidder is permitted to propose additional work or enlarge the existing specifications. For all the works conceived by the Bidder shall have to get approved by IITE and detailed specifications for the same shall have to be provided by the Bidder.
4. Bidder shall not, without the written sanction of IITE, make any deviation in the approved plans, details, specifications, etc.
5. IITE shall communicate all changes, decisions, etc. in writing at the earliest possible.
6. Bidder shall not assign sub-let or transfer their interest in this agreement without written consent of IITE. Though he may outsource the particular task.
7. The successful bidder has to submit hard and soft copy of all drawings and specifications in a software version as specified by IITE /Client. Any deviation from the specifications as indicated by the bidder/consultant shall be liable for deductions from the value of item of work.
8. Drawing, plans and specification are the property and ownership of IITE, irrespective of whether the work for which they are made has been executed or not.
9. If the Bidder fails to deliver required work as per agreed schedule or quality, IITE can appoint other Agencies, Contractors and actual payment made to these agencies shall be debited to the Bidder.
10. The event services are considered as on hire basis and any services charged as full supply basis shall become property of IITE, and Bidder shall quote for such items accordingly.
11. The Bidder shall have to do liaison, bear the cost of liaisoning Fire Fighters through concern authorities, actual cost shall be reimbursed based on receipt of payments made.

12. All transportation charges including loading and unloading charges for Consumables, cleaning/Washing Reagents, Materials, Tools, Machinery/Plants and throwing of garbage outside of site premises to disposal yards / scrap yard shall be borne by the Contractor.
13. Cost of all the works necessary to carry out or successful organization of event including deploying necessary manpower, equipment, facilities, structures, services etc. but not exclusively mentioned in bills of quantity and specifications, shall have to be carried out by the Bidder and the cost of same deemed to be inclusive in the rate of items quoted by Bidder. No reimbursement or extra item in this regard shall be permitted.
14. Bidder shall take necessary safety measures to work where required. Bidder shall maintain first aid kit for emergency.
15. If there is any ambiguity or contradictory found/observed in the tender document between technical bid and financial bid, the bidder shall bring it to the notice of the IITE/Client appointed by the Client prior to pre-bid meeting.
16. Necessary water supply and other services if required for the event will have to be arranged by Bidder.
17. Quality and finishing of all structures will be reviewed after final execution of work. Any deviations or non-compliance from approved designs are bound for deductions.
18. Stipulated time frame for completion of necessary structures is to be implemented. In case of any deviations a penalty will be imposed upon as per the directions of Committee members/ IITE /Consultants.
20. Necessary arrangements for fabrication yard, godowns, and storage space for required installation works will be managed by the bidder at no additional cost within or outside the venue.
21. Stipulated Tender requirements indicated/mentioned in the terms in bids related especially to personnel, and assets are to be complied. Non-compliance with such conditions/non-compliance to project schedules resulting into delays of works/ inferior quality of execution of works/non-compliance to any services can lead to penalty as finalized by the constituted Committee for the project.
22. Necessary changes/suggestions suggested by the committee members during selection process or during execution of the works are to be incorporated at no additional/extra cost. Any change of work/deviation in case of quantity/area increase shall be as per the directions of Committee members/ IITE.

FORMAT FOR PERFORMANCE GUARANTEE

(On Non-Judicial Stamp Paper)

To be stamped according to Stamp Act and to Be in the name of the executing Bank

To

The Registrar

Indian Institute of Teacher Education,

Ramkrushna Paramhans Vidya Sankul

Near KH-5, KH Road, Sector - 15

Gandhinagar 382016 (Gujarat).

In consideration of the Registrar of Indian Institute of Teacher Education, GANDHINAGAR having its registered office at Gandhinagar (hereinafter called the "IITE" which expression shall unless repugnant to the subject or context include its administrators successors and assigns) having agreed under the terms and conditions of the Award Letter bearing No dated issued by the IITE, Ramkrushna Paramhans Vidya Sankul, Near KH-5, KH Road, Sector – 15, Gandhinagar - 382016 (Gujarat), which has been unequivocally accepted by the Vendor (refer NOTE below) work of of various projects (hereinafter called the said Contract) to accept a Deed of Guarantee as herein provided for Rs. /- (Rupees.....only) from a Nationalised Bank, in lieu of the security deposit, to be made by the Vendor or in lieu of the deduction to be made from the Vendor's bill, for the due fulfillment by the said Vendor of the terms and conditions contained in the same Contract. We.... the.....(hereinafter referred to be "the said Bank" and having our registered office at do hereby undertake and agree to indemnify and keep indemnified to the IITE from time to time to the extent of Rs.....(Rupees...../-only) against any loss or damage, costs charges and expenses misused to or suffered by or that may be caused to or suffered by the IITE by reason of any breach or breaches by the Vendor and to unconditionally pay the amount claimed by the IITE on demand and without demand to the extent aforesaid. We,.....Bank, further agree that the IITE shall be the sole judge of and as to whether the said Vendor has committed any breach or breaches of any of the terms and conditions of the said Contract and the extent of loss, damage, costs, charges and expenses caused to or suffered by or that may be caused to or suffered by the IITE on account thereof and the decision of the IITE that the said Vendor has committed such breach or breaches and as to the amount or amounts of loss, damage, costs charges and expenses caused to or suffered by or that may be caused to or suffered by the IITE from time to time shall be final and binding on us.

We, the said Bank, further agree that the Guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said contract and till all the dues of the IITE under the said Contract or by virtue of any of the terms and conditions governing the said Contract have been fully paid and its claims satisfied or discharged and till the owner certifies that the terms and conditions of the said Contract have been fully and properly carried out by the Vendor and accordingly discharges this Guarantee

subject, however, that the IITE shall have no claim under the Guarantee after 150 (One hundred Fifty) days from the date of expiry of the contract period.

The IITE shall have the fullest liberty without affecting in any way the liability of the Bank under this Guarantee or indemnity, from time to time to vary any of the terms and conditions of the said contract or to extend time of performance by the said Vendor or to postpone for any time and from time to time any of the powers exercisable by it against the said Vendor and either to enforce or forbear from enforcing any of the terms and conditions governing the said contract or securities available to IITE and the said Bank shall not be released from its liability under these presents by any exercise by the IITE of the liberty with reference to the matters aforesaid or by reason of time being given to the said Vendor or any other forbearance, act or omission on the part of the IITE or any indulgence by the IITE to the said Vendor or any other matter or thing whatsoever which under the law relating to sureties would but for this provision have effect of so releasing the Bank from its such liability.

It shall not be necessary for the IITE to take legal action against the Vendor before proceeding against the Bank and the Guarantee herein contained shall be enforceable against the Bank, notwithstanding any security which the IITE may have obtained or obtain from the Vendor shall at the time when proceedings are taken against the Bank hereunder be outstanding or unrealised.

We, the said Bank, lastly undertake not to revoke this Guarantee during its currency except with the previous consent of the IITE in writing and agree that any change in the Constitution of the said Vendor or the said Bank shall not discharge our liability hereunder. If any further extension of this Guarantee is required, the same shall be extended to such required periods on receiving instructions from M/s. on whose behalf this guarantee is issued.
