CENTRE OF RESEARCH, IITE
NEP 2020 & HIGHER EDUCATION

CALL FOR BOOK CHAPTER

NEP 2020 has emerged as a watershed moment in the Indian Education ecosystem. Redesigning higher education as envisaged by NEP 2020 requires strengthening the role of the curriculum in embracing innovative transformations. NEP 2020 also envisions that pedagogy becomes learner-centered with a mechanism for continuous comprehensive innovative assessment and evaluation.

VISION OF THE BOOK

Global awareness and interconnectedness through higher education has a significant role in shaping the next generations of learners. This book is an honest attempt to cater the needs for highest global standards that are set by NEP 2020. This book will be a stepping stone in understanding Internationalization of higher education through interwoven setup. Through promotion of diversity and inclusion in research and innovation platforms this book will uncover the trends in effective strategies for institutional management and leadership development.
