From the desk of Vice-Chancellor...

Dear friends,

I appreciate that you have dreamt to be with Indian Institute of Teacher Education, Gujarat. In the world where values diminish in presence of money and everyone has started to think about wealth to enjoy worldly pleasures, but you are different. One of the reasons of being different is, you look into future.

The future of the young children; it is the moral duty of elder is to lead younger towards prosperity, not the property. The property might have instantaneous value in terms of demand and supply, but the prosperity brings peace and solace to one's life. A teacher is an angel in this term; he/she brings joy into life that draws prosperity. However, from where one can have the training for becoming efficient, dynamic and excellent teacher; I am sure you are at the right place. The place where we preserve the real ethos of Indian culture and tradition which will help students to acquire the requisite skills, knowledge and practice through which new era of teachers are been built.

In the light of National Educational Policy-2020 (NEP-2020), Teacher Education has been emphasized to get revived in due course and NEP-2020 has insisted to revitalise teacher education by 2030. Four Year Integrated Teacher Education Programme (ITEP) is going to be essential for becoming School Teacher. There shall be 2-Year B.Ed. Programme for UG and 1-Year B.Ed. Programme for UG-Honours and professional teacher education is key concern and I wish all 4-Year Teacher Education Programmes are offered will be torch bearer of future of Teacher Education in our country.

IITE is not an institution where we just dream to have teachers teaching in schools, we dream big and wish to have teachers shines out in the world of Higher Education. The knowledge of academic subjects along with practising teaching is the key concern and the 4-Year Innovative Integrated Teacher Education Courses are offered. These courses have wider perspective and the scope to develop multicore abilities among prospective teachers is intermingled with the curriculum transaction. The teacher who can sing, draw, enact, explain, elaborate, discuss, play games; in nutshell a real hero who can explore the world of information in a manner learners' wish, is our vision and mission.

The prospective teachers can extend their horizons to explore the world of knowledge to peep into the minutest concern of the subject or faculty can knock the doors of our PG Programmes. These programmes have been designed to enrich the information transferring into the real substance, knowledge. The teacher educators, who are the front-runners of envisioning the education of tomorrow, are dire need of society or state. The policy makers, academic administrators, assessors and evaluators, curriculum designers, content writers for text-books, e-Content developers; there are numbers of vocation exist in the world of education yet very few professionals are available.

The school and society, learners and teachers, parents and communities, policymakers and academic administrators wish to have such studies, which shows them a clear and substantial path to invade for the development and prosperity. The research programmes, which we offer, have specific procedures and techniques, which has been incorporated easily in the system. Our focus is to enrich the substantial knowledge that helps the stake holders to minimize the chances of risk. Do think positively, wish to have grab challenges and have the real zeal of investigating; think of collaborating your excellence with us to promote Research Studies which are empirical, experimental, comparative and historical in real spirit.

Shri Narendra Modi has rightly pointed out the aim of establishing this institution is to serve the communities to preserve information and ethos and to spread Indianness where nothing is sacred than knowledge, "न हि ज्ञानेन सदृशं पवित्रमिह विद्यते".

We strive to live up this message to make the Universe, "वसुधैव कुटुम्बकम्"

Wishing you all the best for the i3T and hope to see you all on campus.
